At long last, here is the thoroughly revised and updated third edition of the hugely successful The Art of Electronics. It is widely accepted as the best single authoritative book on electronic circuit design, and is in fact so popular that it has been counterfeited - so beware if purchasing from a third party via an online retailer, as you may receive a very inferior physical product.

The value of a first edition book depends on lots of factors. A rare first edition of a classic work of literature might be worth hundreds or thousands of dollars, for example, especially if it ' s also a first printing, is in excellent condition, and has its original dust jacket. On the other hand, a more modern first edition, or an older first edition book that ' s not in good shape or is ...

Second and Third edition were pretty similar, while the Fourth and 20th Anniversary editions were quite different than the first three. Fifth edition built on the Fourth/20th anniversary, while Sixth edition again makes a number of changes to the core rules. Shadowrun Anarchy is almost a different system entirely. Sourcebooks are a mix of rules and setting. As such, they contain setting ...
