7 is the true story of how Jen (along with her husband and her children) took seven months, identified seven areas of excess, and made seven simple choices to fight back against the modern-day diseases of materialism and overindulgence: food, clothes, possessions, media and technology, spending, waste, and stress.

7: An Experimental Mutiny Against Excess (Updated and ...

“7: An Experimental Mutiny Against Excess” is not recommended. As a final PS, I put the call out to men: in general, today’s female Christian book market is a mine field of falsity and sly enticement. Most of it is bad. Only a little is good. Just in this one blog entry I noted the dangers of the following best selling books–
