States. Many historians and politicians believe he was the greatest president in terms of leadership, political acumen and character. Lincoln's biography is the stuff of legend.

John C. Nicolay, who had known Lincoln in Springfield, Illinois, served as chief White House secretary from 1861 to 1865. Trained as a journalist, Nicolay had hoped to write a campaign biography of Lincoln in 1860, a desire that was thwarted when an obscure young writer named William Dean Howells got the job. Years later, however, Nicolay fulfilled his ambition; with John Hay, he spent the years from 1872

to 1890 writing a monumental ten-volume biography of Lincoln. In preparation for this task, Nicolay interviewed men who had known Lincoln both during his years in Springfield and later when he became the president of the United States. "When it came time to write their massive biography, however," Burlingame notes, "he and Hay made sparing use of the interviews" because they had become "skeptical about human memory." Nicolay and Hay also feared that Robert Todd Lincoln might censor material that reflected "poorly on Lincoln or his wife." Nicolay had interviewed such Springfield friends as Lincoln's first two law partners, John Todd Stuart and Stephen T. Logan. At the Illinois capital in

Hatch, Lincoln ' s political ally and Springfield neighbor. Four years later he returned briefly and spoke with John W. Bunn, a young political "insider" from Springfield at the time Lincoln was elected president, and once again with Hatch. Browning shed new light on Lincoln ' s courtship and marriage, telling Nicolay that Lincoln often told him "that he was constantly under great apprehension lest his wife should do something which would bring him into disgrace" while in the White House. During their research, Nicolay and Hay also learned of Lincoln ' s

despondency and erratic behavior following his rejection by Matilda Edwards, and they were subsequently criticized by friends for suppressing the information. Burlingame argues that this open discussion of Lincoln ' s depression of January 1841 is "perhaps the most startling new information in the Springfield interviews." Briefer and more narrowly focused than the Springfield interviews, the Washington interviews deal with the formation of Lincoln ' s cabinet, his relations with Congress, his behavior during the war, his humor, and his grief. In a reminiscence by Robert Todd Lincoln, for example, we learn of Lincoln ' s despair at General Lee's escape after the Battle of

Upon my asking the cause of his distress he told me that he had just received the information that Gen. Lee had succeeded in escaping across the Potomac river. . ." To supplement these interviews, Burlingame has included Nicolay ' s unpublished essays on Lincoln during the 1860 campaign and on Lincoln ' s journey from Springfield to Washington in 1861, essay ' s based on firsthand testimony.

Arboretum Cemetery in Gettysburg, Pennsylvania, on the afternoon of Thursday, November 19, 1863, during the American Civil War, four and a half months after the Union armies defeated those of the Confederacy at the decisive Battle of Gettysburg. In just over two minutes, Lincoln invoked the principles of human equality espoused by the Declaration of Independence and redefined the Civil War as a struggle not merely for the Union, but as "a new birth of freedom" that would bring true equality to all of its citizens, and that would also create a unified nation in which states' rights were no longer dominant. But to see Lincoln solely as a tragic figure consumed with the strife of mid-nineteenth century America is to miss meeting him as a man who never allowed himself to be defeated by adversity or grief or turmoil. From his earliest days on the frontier, he endured the loss of his beloved mother and the demanding physical challenges of a rough-and-ready land where death came easily and education was rare; where ambition was rewarded if a man proved himself willing to work hard; where love was attainable, even for a man whose physical appearance was most charitably described as homely.
