~~Action Officer (ArmyStudyGuide.com)~~
Development studies programs combine rigorous academic study with practical skills. Students learn the importance of bridging the gap between policy and practice, where knowing how to write a persuasive proposal or budget plan is just as essential as understanding theoretical concepts such as the drivers of poverty, globalization, or economic sustainability.

~~Why Study Development Studies?~~
Organizational development is the process of helping organizations improve through change in policies, power, leadership, control or job redesign.
