Our educational system, and indeed our society, has failed these young people. One of the ways this manifests is in the low graduation rates for African American men's basketball players. Only 65 percent of African American basketball student-athletes graduated in 2013. There is a 25-percent gap between the graduation rates of white and black basketball student-athletes. Further, 21 of the 68 teams to compete in this year's NCAA basketball tournament had black graduation rates below 50 percent.
