What is Music? Music is rhythm. Music is melody. Music is feeling... and oh, so much more. In this richly layered compendium, Alike shares her keen insight about music and all its themes and variations. Ah, Music! is about composers and instruments. It's about artists and performers. It's about history -- from the earliest music through classical, modern, jazz, and popular times. It's about diversity and pleasure. If you have a love of music in your bones, or if you are just learning, or if you are about to play in your first recital, it's about you. Ah, music!

Selected as one of Motley Fool's "5 Great Books You Should Read" In The AIG Story, the company's long-term CEO Hank Greenberg (1967 to 2005) and GW professor and corporate governance expert Lawrence Cunningham chronicle the origins of the company and its relentless pioneering of open markets everywhere in the world. They regale readers with riveting vignettes of how AIG grew from a modest group of insurance enterprises in 1970 to the largest insurance company in world history. They help us understand AIG's distinctive entrepreneurial culture and how its outstanding employees worldwide helped pave the road to globalization. Corrects numerous common misconceptions about AIG that arose due to its role at the center of the financial crisis of 2008. A unique account of AIG by one of the iconic business leaders of the twentieth century who developed close relationships with many of the most important world leaders of the period and helped to open markets everywhere Offers new critical perspective on battles with N. Y. Attorney General Eliot Spitzer and the 2008 U.S. government seizure of AIG amid the financial crisis Shares considerable information not previously made public The AIG Story captures an impressive saga in business history--one of innovation, vision and leadership at a company that was nearly--destroyed with a few strokes of governmental pens. The AIG Story carries important lessons and implications for the U.S., especially its role in international affairs, its approach to business, its legal system and its handling of financial crises.

This is the ninth in the 300 series of circuit design books, again contains a wide range of circuits, tips and design ideas. The book has been divided into sections, making it easy to find related subjects in a single category. The book not only details DIY electronic circuits for home construction but also inspiring ideas for projects you may want to design from the ground up. Because software in general and microcontroller programming techniques in particular have become key aspects of modern electronics, a number of items in this book deal with these subjects only. Like its predecessors in the 300 series, "308 Circuits" covers the following disciplines and interest fields of modern electronics: test and measurement, radio and television, power supplies and battery chargers, general interest, computers and microprocessors, circuit ideas and audio and hi-fi.

Making friends can sometimes be a daunting experience, as Toad knew only too well. One day, Water Snail approaches Toad and offers to coach him on how to make friends. Happy to be getting help, Toad practices saying hello to an unsuspecting shrimp, with funny consequences. Follow Toad's bravery as he tries to make friends with a whole range of animals and insects, with heart-warming results.

You've heard of love at first sight—but have you experienced love at first read? Introducing six of the most talented new voices in contemporary women's fiction. Prepare to fall head over heels for Beautiful Disaster by Jamie McGuire Abby Abernathy is a good girl, who could bring the ultimate bad boy to his knees—but not before the secrets of her own dark past come back to haunt her. Love Unscripted by Tina Reber Taryn Mitchell is nursing a recent heartbreak, and content to keep her distance from men for a while—until Hollywood's most sought after actor walks into her small-town pub and turns her world upside down. Naked by Raine Miller Brynne Bennett is an American art student in London swept up in a torrid love affair with a sexy, successful businessman—who proves to be as domineering in the bedroom as he is in the boardroom. One Tiny Lie by K.A. Tucker After navigating the death of her parents and her older sister's self-destructive phase, smart and stable Livie thinks Princeton should be a breeze—but Jell-O shots, a party-animal roommate she can't say "no" to, and Ashton, the gorgeous but arrogant captain of the men's rowing team were definitely not part of the plan! The Sea of Tranquility by Katja Millay A story of first love—and forever love: In the midst of a bustling high school, a fragile girl and a lonely boy find each other. As they grow closer, the attraction between them grows, too—but can either of them risk losing the friendship that's saved them from their troubled pasts for a romance that might just shape their future? Slammed by Colleen Hoover The unexpected death of her father has left Layken feeling lost and invisible—until she meets Will, her new neighbor and a passionate poet. Sparks soon fly—but a shocking discovery could bring their relationship to a slamming halt before it's even fully begun.

Dim the lights. Lock the doors. Pull down the shades—and BEWARE! It's time to read the favorite scary stories of R.L. Stine, bestselling children's author and master of the spooky tale. R.L. Stine has gathered a selection of all things scary, and even added two new tales of his own! Short stories, fables old and new, comics, and poems. It's a spine-tingling collection of work by dozens of writers and artists who are famous for hair-raising fun. Discover a ghastly secret in a retelling of the classic story "The Judge's House," by Bram Stoker. Peek into a Christmas stocking that holds a shocking surprise in a Vault of Horror comic, "A Sock for Christmas." Meet an ice-cream man who will chill your blood in "Mister Ice Cold" by Gahan Wilson. But first, visit an evil carnival in "The Black Ferris," by Ray Bradbury. R.L. Stine says that this story changed his life! Be sure to read all the introductions—because R.L. reveals why he picked these stories just for you, and why he finds them the creepiest ... the funniest ... the scariest! BEWARE!

In this, his fourth big cookbook, the award-winning chef John Besh takes another deep dive into the charm and authenticity of creole cooking inspired by his hometown, New Orleans. Besh Big Easy: 101 Home-Cooked New Orleans Recipes, is a fresh and delightful new look at his signature food. Besh Big Easy will feature all new recipes and easy dishes, published in a refreshing new flexibound format and accessible to cooks everywhere. Much has changed since Besh wrote his bestselling My New Orleans in 2009. His restaurant empire has grown from two to twelve acclaimed eateries, from the highly praised Restaurant August to the just opened farm-to-table taqueria, Johnny Sanchez. John's television career has blossomed as well. He's become known to millions as host of two national public television cooking shows based on his books and of Hungry Investors on Spike TV. Besh Big Easy is dedicated to accessibility in home cooking and Orleans cuisine. "There's no reason a good jambalaya needs two dozen ingredients," John says. In this book, jambalaya has less than ten, but sacrifices nothing in the way of flavor and even offers exciting yet simple substitutions. With 101 original, personal recipes such as Mr. Sam's Stuffed Crabs, Duck Camp Shrimp & Grits, and Silver Queen Corn Pudding, Besh Big Easy is chock-full of the vivid personality and Louisiana flavor that has made John Besh such a popular American culinary icon. Happy eating!

What is life's most intense pleasure? Did you know that it is free, safe and feels way better than sex? Or that the key to pristine health is not only to eat like a caveman, but to live like one? In The Awakened Ape Jevan Pradas uses evolutionary psychology to hack the human mind and body to answer the question: "How can we enjoy life to the fullest?" The results, while unexpected, are completely backed by science. Perpetually bored, anxious, fatigued and overweight, modern society has failed to deliver the happiness it promised. The remedy, Jevan argues, is in a unique synthesis of a Paleolithic lifestyle and Buddhist meditation. A sprawling journey, featuring Jevan's adventures with naked Amazonian tribes and retreats with enlightened monks to learn the secrets of optimal well-being, The Awakened Ape will teach you how to achieve deep states of bliss. All while shaping your body into the fit and healthy animal millions of years of evolution programmed you to be.

ASVAB Exam Cram, Second Edition Kalinda Reeves Succeed with topical reviews, practice exams, and preparation tools ASVAB Exam Cram, Second Edition, is the perfect study guide to help you pass the ASVAB exam. When Lucio Masterton discovers that he has a daughter, the Spaniard takes immediate action. He confronts Kirstie Rivers, the girl's mother, who he is sure has deceived him! But Kirstie believes that Lucio loves only money. She's been hurt badly by the billionaire and is determined that her daughter won't suffer the same fate. However, under the Spanish sun, Kirstie finds she is being ruthlessly pursued by Lucio, who will stop at nothing to take what he feels is his.
