It is believed these magical books were translated from the ancient Hebrew. The Sixth Book contains Secret Seals used in magical rituals. Each is presented, followed by a matching conjurationa verbal spell summoning entities or energies beyond our reality that may respond and help to achieve the goal of the summoner. The Seventh Book contains magical tables, each of which performs a certain function. Carrying one with you or to a certain area may bring results like wealth, love, or good luck. Also included are examples of magic being performed in the Bible, followed by a Kabala section that reveals secret wisdom, the application of charms and remedies, and magical cures of the ancient Hebrews. If used with good intentions, this book claims to bring good fortune.
