The latest volume of Research in Ethical Issues in Organizations addresses a range of contemporary issues in applied and professional ethics. It is ideally suited to researchers, postgraduates and professionals whose interests include such key issues as tax avoidance, global justice, information sharing and corporate privacy.

Information is considered essential in every business model, which is why staying abreast of the latest resources can help combat many challenges and aid businesses in creating a synthesis between people and information, keeping up with evolving technologies, and keeping data accurate and secure. The Handbook of Research on Knowledge Management for Contemporary Business Environments is a critical scholarly publication that examines the management of knowledge resources in modern business contexts. Including a wide range of topics such as information systems, sustainable competitive advantage, and knowledge sharing, this publication is a vital reference source for managers, academicians,

researchers, and students seeking current research on strategies that are able to manage the information in more than one context for present and future generations.

Boone, Kurtz, and Berston's, *Contemporary Business*, 17th Edition, delivers solutions at the speed of business to stimulate curiosity, show relevance, promote creativity, and prepare students for what's ahead in their academic and business careers. With thoroughly revised cases, fresh, current examples, and an updated video series, the 17th Edition provides insights into the many facets of business that contribute to the dynamic, ever changing world of work.

Contemporary Studies in Economic and Financial Analysis (CSEF 104) dedicates 16 chapters in articles and studies on Contemporary Issues of Business Economics and Finance. Authors contributed from the International Applied Social Science Congress, held in Turkey.

Contemporary Tax Practice: Research, Planning and Strategies will change the way you teach your tax research course, and the way future professionals learn how to perform tax research. This all new text provides a solid foundation of tax research skills by teaching the nuances of conducting tax research in today's environment. The book then provides exposure to frequently encountered tax planning topics and strategies, better preparing users for their future in tax practice.

This book contains selected papers presented at the 3rd International Seminar of Contemporary Research on Business and Management (ISCRBM 2019), which was organized by the Alliance of Indonesian Master of Management Program (APMMI) and held in Jakarta, Indonesia on 27-29th November 2019. It was hosted by the Master of Management Program Indonesia University and co-hosts Airlangga University, Sriwijaya University, Trunojoyo University of Madura, and Telkom University, and supported by Telkom Indonesia and Triputra. The seminar aimed to provide a forum for leading scholars, academics, researchers, and practitioners in business and management area to reflect on current issues, challenges and opportunities, and to share the latest innovative research and best practice. This seminar brought together participants to exchange ideas on the future development of management disciplines: human resources, marketing, operations, finance, strategic management and entrepreneurship.

Contemporary Business 14th Edition gives students the business language they need to feel confident in taking the first steps toward becoming successful business majors and successful business people. With new integrated E-Business context throughout the text, it provides a new approach. Another addition is the "Green Business" boxes in every chapter to provide student's with more Green Business information. All of the information provided is put together in a format easy for all students to understand, allowing for a better grasp of the information.

A Contemporary Look at Business Ethics provides a 'present day' look at business ethics to include the challenges,

opportunities and increased need for ethical leadership in today's and tomorrow's organizations. The book discusses current and future business ethics challenges, issues and opportunities which provides the context leaders and their organizations must navigate. The book includes an in-depth look at lessons learned about the causes of unethical behavior by examining a number of real-world examples of ethical scandals from around the world that have taken place over the past few decades. The analysis of the various ethical scandals focuses on concepts like ethical versus unethical leadership, received wisdom, the bottom-line mentality, groupthink and moral muteness, all of which contribute to the kind of organizational culture and ethical behavior one finds in an organization. The book discusses ethical decision making in general and the increased role of religion and spirituality, in confronting unethical behavior in contemporary organizations. The book also takes an in-depth look at the impact ethical scandals have on employees and more specifically the psychological contract and person-organization ethical fit with the goal of identifying, along with other things, what leaders can do to restore relationships with employees and rebuild the organization's reputation in the eyes of various stakeholders.

This collection of scholarly papers is an ideal answer for teachers, lecturers, and professors faced with finding current research readings for their students in management, marketing and international business that are based on research from various countries. It is also valuable for practising managers who want a closer view of current writing in the areas covered in this book. The book contains eighteen chapters.
