DIPLOMACY BY DECEPTION . 1 - The Threat of the United Nations. The history of how the United Nations was created is a classic case of diplomacy by deception. The United Nations is the successor to the defunct League of Nations, the first attempt to set up a One World Government in the wake of the Paris Peace Conference which gave birth to the Treaty of Versailles.

This is a true and accurate account of treasonous conduct by the British and American governments: An account of how their citizens are deceived by policies provoking actions that are totally detrimental to the well-being of their citizens.

Thoroughly researched, the book provides a great deal of hitherto unpublished information and throws new light on such diverse operations as the Gulf War and the Bolshevik Revolution. The chapter on covert actions throws new light on the murder of Martin Luther King, Pope John Paul 1, and other notables marked for elimination. The bloodshed that resulted from the creation of an artificial "Saudi Arabia;" the foreign policy making role of the petroleum industry; the rape

of Mexico by British and American oil barons; the revolutions they ignited which cost thousands upon thousands of lives; British conquest of India, the pernicious Indian "apartheid" caste system. These are some of the subjects dealt with in this historic expose of how our governments deceive us under the color of diplomacy. "Diplomacy By Deception" tells us that the United Nations is a war-making body, not a peace-keeping organization, and how the Rockefellers and Alger Hiss, aided by the top Illuminati Dulles family, got the United States involved with the United Nations. There is a masterly analysis of constitutional roadblocks barring U.S. membership of the United Nations that will come as a surprise and leave no doubt that we are not now, nor can we ever be, a member of the United Nations. "Diplomacy By Deception" will forever

Read PDF Diplomacy By Deception An Account Of The Treasonous Conduct By

alter your perception of the two leading governments in Western civilization. This is an excellent companion book to the "Committee of 300" by the same author.

During the Soviet period the USSR conducted diplomatic relations with incumbent regimes while simultaneously cultivating and manipulating communist movements in those same countries. The Chinese case offers a particularly interesting example of this dual policy, for when the Chinese Communists came to power in 1949, their discovery of the nature of Moscow's imperial designs on Chinese territory sowed distrust between the two revolutionary powers and paved the way to the Sino-Soviet split. Drawing on newly available documents from archives in China, Taiwan, Russia,

Read PDF Diplomacy By Deception An Account Of The Treasonous Conduct By

and Japan, this study examines secret agreements signed by Moscow and the Peking government in 1924 and confirmed by a Soviet-Japanese convention in 1925. These agreements essentially allowed the Bolsheviks to reclaim most of tsarist Russia's concessions and privileges in China, including not only Imperial properties but also Outer Mongolia, the Chinese Eastern Railway, the Boxer Indemnity, and the right of extraterritoriality. Each of these topics is analyzed in this volume, and translations of the secret protocols themselves are included in a documentary appendix. Additional chapters discuss Sino-Soviet diplomacy and the parallel history of Soviet relations with the Chinese Communist Party as well as the origins and purpose of the United Front policy.

Mohamed ElBaradei is at the forefront of current political change in Egypt. The Nobel Peace Prize Laureate is a key figure in the dramatic events unfolding in Cairo and is the leader of the reform movement. ElBaradei was deeply involved in the UN in the run-up to the Iraq War. Now, for the first time, he tells the story of what happened behind the scenes of the war, and assesses the threat that nu

Discusses the author's tenure at the International Atomic Agency, including his dealings with America, negotiations with

Read PDF Diplomacy By Deception An Account Of The Treasonous Conduct By Iran, and attempts to engage North Korea, and also examines the possibility of a nuclear-free future.

During the early to mid-twentieth century, the Zionist Organization secured a series of political victories on the international stage, leading to the foundation of a Jewish state and to its ability to expand its territorial control within Palestine. The International Diplomacy of Israel's Founders provides a revisionist account of the founding of Israel by exposing the misrepresentations and false assurances of Zionist diplomats during this formative period of Israeli history. By comparing diplomatic statements at the United Nations and elsewhere against the historical record, it sheds new light on the legacies of such leaders as Chaim Weizmann, David

Read PDF *Diplomacy By Deception An Account Of The Treasonous Conduct By Ben Gurion, Abba Eban, and Shabtai Rosenne*. Including coverage of little-discussed moments in early Israeli history, this book offers an important new perspective for anyone interested in the history of the Israeli-Palestinian conflict.

Utilizes archival documents to argue against the perception that America turned its back on China during the Paris Peace Conference, a belief that convinced many Chinese to turn to Soviet Russia instead. The author contends that President Wilson did everything in his power to help China. Chapters focus on topics such as the origins of the United Front Policy, assertion of Soviet control over the Chinese Eastern Railway,

Read PDF Diplomacy By Deception An Account Of The Treasonous Conduct By The Restoration Of Russian Territorial Concessions, and Soviet Foreign Policy and the Chinese Communist Party. Annotation United States copyrighted by Book News, Inc., Portland, OR

In a challenging, provocative book, Andrew Bacevich reconsiders the assumptions and purposes governing the exercise of American global power. Examining the presidencies of George H. W. Bush and Bill Clinton--as well as George W. Bush's first year in office--he demolishes the view that the United States has failed to devise a replacement for containment as a basis for foreign policy. He finds instead that successive post-Cold War administrations have adhered to a well-defined "strategy of openness." Motivated by the imperative of economic expansionism, that strategy aims to

Read PDF Diplomacy By Deception An Account Of The Treasonous Conduct By

foster an open and integrated international order, thereby perpetuating the undisputed primacy of the world's sole remaining superpower. Moreover, openness is not a new strategy, but has been an abiding preoccupation of policymakers as far back as Woodrow Wilson. Although based on expectations that eliminating barriers to the movement of trade, capital, and ideas nurtures not only affluence but also democracy, the aggressive pursuit of openness has met considerable resistance. To overcome that resistance, U.S. policymakers have with increasing frequency resorted to force, and military power has emerged as never before as the preferred instrument of American statecraft, resulting in the progressive militarization of U.S. foreign policy. Neither indictment nor celebration, American Empire

Read PDF Diplomacy By Deception An Account Of The Treasonous Conduct By

sees the drive for openness for what it is--a breathtakingly ambitious project aimed at erecting a global imperium. Large questions remain about that project's feasibility and about the human, financial, and moral costs that it will entail. By penetrating the illusions obscuring the reality of U.S. policy, this book marks an essential first step toward finding the answers. Table of Contents: Preface Introduction 1. The Myth of the Reluctant Superpower 2. Globalization and Its Conceits 3. Policy by Default 4. Strategy of Openness 5. Full Spectrum Dominance 6. Gunboats and Gurkhas 7. Rise of the Proconsuls 8. Different Drummers, Same Drum 9. War for the Imperium Notes Acknowledgments Index Reviews of this book: [A] straightforward "critical interpretation of American statecraft in the 1990s"...he is straightforward, too, in

establishing where he stands on the political spectrum about US foreign policy...Bacevich insists that there are no differences in the key assumptions governing the foreign policy of the administrations of Bush I, Clinton, and Bush II--and this will certainly be the subject of passionate debate...Bacevich's argument persuades...by means of engaging prose as well as the compelling and relentless accumulation of detail...Bring[s] badly needed [perspective] to troubled times. --James A. Miller, Boston Globe Reviews of this book: For everyone there's Andrew Bacevich's American Empire, an intelligent, elegantly written, highly convincing polemic that demonstrates how the motor of US foreign policy since independence has been the need to guarantee economic growth. --Dominick Donald, The Guardian Reviews

Read PDF Diplomacy By Deception An Account Of The Treasonous Conduct By

of this book: Andrew Bacevich's remarkably clear, cool-headed, and enlightening book is an expression of the United States' unadmitted imperial primacy. It's as bracing as a plunge into a clear mountain lake after exposure to the soporific internationalist conventional wisdom...Bacevich performs an invaluable service by restoring missing historical context and perspective to today's shallow, hand-wringing discussion of Sept. 11...Bacevich's brave, intelligent book restores our vocabulary to debate anew the United States' purpose in the world. --Richard J. Whalen, Across the Board

Reviews of this book: To say that Andrew Bacevich's American Empire is a truly realistic work of realism is therefore to declare it not only a very good book, but also a pretty rare one. The author, a distinguished former soldier,

Read PDF Diplomacy By Deception An Account Of The Treasonous Conduct By

combines a tough-minded approach to the uses of military force with a grasp of American history that is both extremely knowledgeable and exceptionally clear-sighted. This book is indispensable for anyone who wants to understand the background to U.S. world hegemony at the start of the 21st century; and it is also a most valuable warning about the dangers into which the pursuit and maintenance of this hegemony may lead America. --Anatol Levin, Washington Monthly Reviews of this book: American Empire is an immensely thoughtful book. Its reflections go beyond the narrow realm of U.S. security policy and demonstrate a deep understanding of American history and culture. --David Hastings Dunn, Political Studies Review I have long suspected our nation's triumphs and trials owed much to the

American genius for solipsism and self-deception. Bacevich has convinced me of it by holding up a mirror to self-styled idealists and realists alike. Read all the books you want about the post-Cold War, post-9/11 world, just be sure American Empire is one of them. --Walter A. McDougall, Pulitzer Prize-winning historian, University of Pennsylvania This deeply informed, impressive polemical book is precisely what Americans, in and outside of the academy, needed before 9/11 and need now even more. Crisp, lively, biting prose will help them enjoy it. Among its many themes are hubris, hegemony, and the fatuousness of claims by the American military that they can now achieve 'transparency' in war-making. --Michael S. Sherry, Northwestern University The United States could not possibly have an empire, Americans

Read PDF Diplomacy By Deception An Account Of The Treasonous Conduct By

think. But we do. And with verve and telling insight Andrew Bacevich shows how it works and what it means. --Ronald Steel, author of Temptations of a Superpower: America's Foreign Policy after the Cold War
