Essentials of Strategic Management responds head-on to the growing requests by business faculty for a concisely-written strategic management text that's robust and theory-driven and supported with a compelling collection of cases. This text was written with four objectives in mind: 1) Although relatively brief in length, the text provides students with an up-to-date and thorough understanding of essential strategic management concepts and analytic tools; 2) It simplifies the task of demonstrating student learning through course embedded assessment; 3) The concepts are supported by contemporary, well-written cases involving headline strategic issues; and lastly, 4) The text serves as the theoretical foundation of a teaching approach incorporating a business strategy simulation.

Essentials of Strategic Management 6th edition by Gamble, Peteraf, and Thompson presents concise, straight-to-the-point discussions, timely examples, with a writing style that captures students' interest. It features 10 chapters with 12 tightly linked cases. The content is solidly mainstream and balanced, mirroring both insights of academic thought and real-world strategic management. For years strategy instructors have been shifting from purely text-cases to a text-cases-simulation course structure. Two widely used online competitive strategy simulations, The Business Strategy Game and GLO-BUS, are optional companions. Both simulations are closely linked to the content.

Explains how companies must pinpoint business strategies to a few critically important choices, identifying common blunders while outlining simple exercises and questions that can guide day-to-day and long-term decisions.

Thorough yet concise, ESSENTIALS OF STRATEGIC MANAGEMENT, Third Edition, is a brief version of the authors' market-leading text STRATEGIC MANAGEMENT: AN INTEGRATED APPROACH. Following the same framework as the larger book, ESSENTIALS helps students identify and focus on core concepts in the field in a more succinct, streamlined format. Based on real-world practices and current thinking, the text's presentation of strategic management features an increased emphasis on the business model concept as a way of framing the issues of competitive advantage. Cutting-edge research, new strategic management theory, and a hands-on approach allow students to explore major topics in management, including corporate performance, governance, strategic leadership, technology, and business ethics. In addition, a high-quality case program examines small, medium, and large companies--both domestic and international--so that students gain experience putting chapter concepts into real-world practice in a variety of scenarios. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
