Building on the success of her prior book, *Practice Makes Perfect: Spanish Verb Tenses*, author Dorothy Devney Richmond helps learners attain a strong working vocabulary, no matter if they are absolute beginners or intermediate students of the language. She combines her proven instruction techniques and clear explanations with a plethora of engaging exercises, so students are motivated and hardly notice that they are absorbing so much Spanish. *Practice Makes Perfect: Spanish Vocabulary* also includes basic grammar and structures of the language to complement learners' newly acquired words. "Vocabulary Builders" help students add to their Spanish repertoire by using cognates, roots, suffixes, prefixes, and other "word-building" tools.

Mr. Drake's second grade class has a new class pet. Fluffity appears to be a cute and docile hamster—but the kids soon discover that she is not the cuddly pet they expected. From the moment her cage door opens, Fluffity becomes FEROCIOUS—biting and chasing everyone down the hall and into the library! Will the class be able to tame this beast and bring peace back to their school? The bestselling team behind *Chicken Butt!* and *Chicken Butt's Back!* has crafted another laugh-out-loud tale that's sure to be a hit with any child who's ever wanted a pet. Erica Perl's pitch-perfect rhymes and Henry Cole's over-the-top animal character make for the perfect classroom read-aloud.

It's a thumbs-up for this movie-inspired guide to learning Spanish Pop in a movie in your DVD player Turn on the Spanish soundtrack in the DVD options menu Open up Listen 'n' Learn Spanish with Your Favorite Movies, and relax as you learn core Spanish vocabulary and phrases It is as easy as that to learn thousands of essential Spanish terms and expressions. Readers follow the main character, MaryEllen, through a story that details experiences during the Coronavirus pandemic. The goal of this story is to shed light on a time of uncertainty and fear in a child-friendly way. My hopes are to help children understand this unprecedented time while learning to cope with difficult feelings. Additionally, I hope to spread appreciation for the heroes of this time and portray the power of a positive mindset. This story: - Explains what happened during the pandemic - Talks about how it may have made people feel - Explains key terms such as "social distancing" - Highlights heroes during the time such as medical workers, grocery store employees, first responders, delivery service workers, and teachers - Ends on a positive note with powerful advice to children living through difficult times Why purchase this book?: - Give children a character to relate to during this time - Help struggling children find a positive mindset - Explain this unprecedented time to your current OR future children, grandchildren, students - Keepsake in a baby bin/box - Give children something from this time they can look back on & use to explain this time they lived through to their future children - Pregnant, adopting, or plan on having children in the future? Questions will arise about this time in history and this story is a wonderful way to gently teach children about the pandemic This book includes: - A rhythmic story with colorful, hand painted illustrations - A "This Book Belongs to" page - Fill in the blank page for age/activities/ quarantined with during the

This smart, simple approach ensures that kindergarteners write at or above a first-grade level by the end of the year. Master teacher Randee Bergen shares her yearlong plan for daily writing, providing complete lessons and tips for motivating all learners, managing writing time, and assessing children's work effectively and efficiently. Includes guided lessons for the whole group as well as individualized mini-lessons to support learners exactly where they need help. For use with Grade K.

This book is a shorter version of *Developing Literacy in Second-Language Learners*, reporting the findings of the National Literacy Panel on Language-Minority Children and Youth. This book concisely summarizes what is known from empirical research about the development of literacy in language-minority children and youth, including development, environment, instruction, and assessment. --From publisher's description.

Maisy's plan to have a quiet read is put to the challenge by her giggling friends in this ode to the pleasures of the local library (ages 2-5). Maisy likes going to the library. She loves to read a book in a nice, quiet place. Today, Maisy wants to read a book about fish, but she can only find books about birds or tigers. So she explores some of the other things to do in the library, like using the computer, making copies, listening to music, or looking at fish in the aquarium. Aha! Finally Maisy finds a sparkly book all about fish. But just as she settles into a corner to read, along come Cyril, Tallulah, Eddie, and Ostrich -- and they all have noisier activities on their minds!

A Bear has settled in Mouse's favorite chair--and that chair just isn't big enough for two. He tries all kinds of tactics to move the pesky Bear but nothing works and poor Mouse gives up. Once Mouse has gone, Bear gets up and walks home. But what's that? Is that a Mouse in Bear's house?
