Adam becomes Amy in an adventure he'll NEVER forget ...Adam is about to take a whirlwind journey of transformation and feminization, as he goes from straight college boy to dolled up contestant on this year's Sissy Star competition. He only went to the audition to give his room mate moral support, but before he knows it, Adam finds himself the star of the show! But as the challenges become more intense, Adam wonders if he has what it takes to succeed ... At over TWICE the length of her usual books, D.L. Savage's brand new novella Sissy Star will take you on a wild ride you'll never forget!

Male feminization for fun and growth? Why not? It's a question that critical thinkers ask about many subjects. Everyday there's someone who sees something and instead of saying no they ask, why not? What if the Wright brothers agreed with everyone that man can't fly? What if Henry Ford believed like everyone else that there could be no mass production? What if Galileo gave up on the idea that the world is round and not flat like the Church wanted him to? If something can be beneficial for you or others, but the accepted societal view says it's wrong, does that really make it wrong? Male-to-female crossdressing is one of those things. Sometimes viewed as an unmanly due to societal paradigms and beliefs and called a deviant behavior, it's carried a stigma with it. Does that mean it shouldn't be done? Women are allowed to cross-dress; it has become commonplace for women to wear men's styles of clothing, yet men are forced to stay in men's clothes. Dresses, skirts, stockings and all the feminine accoutrements have fallen to the wayside for most women today, and it's perfectly acceptable for them to wear flannel shirts with jeans, or sweatpants with sneakers or flat shoes. Why not? Why shouldn't a male be offered the same flexibility? Until the time comes when open-mindedness is more prevalent, and paradigms and beliefs are changed, it's still possible to do in secret or with likeminded people and groups, and the benefits are just as great. To balance the individual's masculine and feminine energies and activate the rise on Maslow's hierarchy of needs is not a trivial thing, and that is just one of many benefits it brings. If you, a person close to you, a spouse or partner, or a friend of yours is involved in male-to-female crossdressing, has an interest in it, or is bored and wants to try something new and exciting, then drop the veil of illusions by creating a new feminine illusion and thrive. Read on and see what benefits can follow in this thoughtful short read that just might improve your or someone else's life-or at least help you understand it better. Look inside now.

When Ben invites his best friend Jesse for a week-long getaway to his family's beachside vacation home, Jesse is thrilled! It'll be the perfect way to spend some quality bro time together, away from jobs, chores, and Ben's nagging mother who is always asking him when he's going to find a nice girl and settle down. He'll settle down later-when he finds the perfect girl. The boys settle in for a fun week, but things start to get weird when Jesse finds an old mirror that begins to change him in small ways. Longer hair. Softer skin. More curves. The more he changes, the more he starts to look like a girl- like Ben's perfect girl. And the more he looks like Ben's perfect girl, the harder it is for Ben to resist his confusing, newfound attraction to his friend. Can Jesse figure out a way to reverse the spell and resist Ben's advances before he's changed all the way into a woman? Or will he give in to his own, increasingly confusing feelings about Ben? Being stuck as Ben's perfect dream girl for the rest of his life would be awful- wouldn't it?

Warning! Contains Intense Sissy Domination Erotica! Contains 4 erotically charged sissy and feminization bdsm domination stories, if you like sissy stories then this is one bundle you don't want to miss.

Eighteen year old Billy only has one thing on his mind as he sits in the bar and dreams of losing his virginity. He knows he doesn't have much luck with women, but tonight he plans to change all that. And when he attracts the eye of Amanda, a busty brunette in a small red dress, Billy thinks his luck has finally changed for the better. Amanda has other plans for poor Billy. She's only in town for a few days, but she plans to keep him close, and change him from a confused virgin boy, to a confident and sexy girl. Blackmailed into staying with her, Billy has no choice but to stay by Amanda's side as she takes him to the mall and transforms him while humiliating him every chance she gets. And for poor Billy's final test, Amanda will take him back to the bar,

dressed as a woman from head to toe. But if Billy behaves, he might finally lose his virginity. All he has to do is be the best girl he can be... This 27,000 word novella contains scenes of blackmail, forced feminization, intense oral and anal sex, humiliation, and a poor confused virgin who will do anything for his new mistress!

An arrogant male named Robin Shawl attempts to land a position as a receptionist in an all-female legal office. While he doesn't get the job he applied for to his surprise he is offered another position-working for Natalie Deshay in her home as her sissy housemaid. You'll enjoy this humbling account of an overly aggressive job applicant learning what a mistake it can be to be willing to do anything to land a job. Will Robin ever get the position he applied for? Sissies will squirm and dominant women will delight when they find out just how far an obedient sissy maid is willing to go in My Sissy Housemaid.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic
