This manual covers the 1965 -1974 Mustang including Mach I and Boss as well as all Ford, Lincoln and Mercury models from 1963 through 1974. This part interchange manual catalogs all parts that can be interchanged among the many FOMOCO models. It is designed to help you in the purchase and identification of original equipment parts. It should save hours of time locating the parts you need. With this manual you will know exactly what parts from which vehicles are identical. There may be no need to pay a high price for a supposedly rare part when it may be identical to other FOMOCO Parts. The odds of finding the part you need at a salvage yard or swap meet, or even to purchase new parts for less. This manual may not only save you money, it could be a great reference source for your restoration project. It includes model identification, VIN tag information, engine codes, transmission identification, original factory part numbers, and for certain parts casting numbers. Listed below the manual is broken down by the major groups and broken down into specific parts, for example, under the body group it

Access Free Ford Mustang Interchangeable Parts Manual

lists everything from bumpers to window regulators. - Axle Group: Shafts, Housing, Gears, etc. - Bearing Group: Pinion, Wheel, etc. - Body Group: Fenders, Grilles, Doors, Bumpers, etc. - Brake Group: Drums, Master Cylinders, Shoes, etc. - Clutch Group: Cover, Disc, etc. - Cooling Group: Radiator, Water Pump, etc. - Electrical Group: Alternator, Horn, Distributor, Wiper Motors, etc. - Engine Group: Camshaft, Crankshafts, Heads, Manifolds, etc. - Fuel Group: Carburetors, Fuel Pumps, Tanks, etc. - Suspension Group: Springs, Shocks, Tie Rods, etc. - Transmission Group: Complete Transmissions, Gears, Shaft, etc. - Glass Group: Windshield, Back Window, Vent, Door - Wheel Group: Hubs, Wheels FORD: all full size (63-74), Fairlane (63-70), Falcon (63-70), Galaxie (63-74), Maverick (70-74), Mustang (65-74 includes Mach I, Boss), Pinto (71-74), Ranchero (67-74), Thunderbird (63-74), Torino (68-74) MERCURY: all full size (63-74), Bobcat (74-75), Comet & Cyclone (63-74), Cougar (67-74 includes XR7), Meteor (63-74), Montego (68-74), LINCOLN: Lincoln (63-74), Continental (63-74), Continental Mark III, IV (69-74)

If there is one thing Ford enthusiasts have learned over the years, deciphering which Ford parts work with which Ford engines is a far more difficult task than with many other engine families. Will Cleveland heads fit on my Windsor block? Can I build a stroker motor with factory parts? Can I gain compression by using older-model cylinder heads, and will it restrict flow? Is there a difference between Windsor 2-barrel and 4-barrel heads? These are just a few examples of common questions Ford fans have. These and many other questions are examined in this all-new update of a perennial best seller. Thoroughly researched and, unlike previous editions, now focused entirely on the small-block Windsor and Cleveland engine families, Ford Small Block Engine Parts Interchange includes critical information on Ford's greatest small-block engines and goes into great detail on the highly desirable high-

Access Free Ford Mustang Interchangeable Parts Manual

performance hardware produced throughout the 1960s, 1970s, and 1980s. By combining some of the best parts from various years, some great performance potential can be unlocked in ways Ford never offered to the general public. Following the advice in Ford Small-Block Engine Parts Interchange, these engine combinations can become reality. You will find valuable information on cranks, blocks, heads, cams, intakes, rods, pistons, and even accessories to guide you through your project. Author George Reid has once again done extensive research to accurately deliver a thorough and complete collection of Ford small-block information in this newly revised edition. Knowing what internal factory engine parts can be used across the wide range of production Ford power plants is invaluable to the hot rodder and swap meet/eBay shopper. Whether building a stroker Cleveland or a hopped-up Windsor, this book is an essential guide.

This parts interchange manual has been designed to help you in the purchase and identification of original equipment parts. It should save you many hours of time locating the parts you need. With this manual you will know exactly what parts from which vehicles are identical. There may be no need to pay a high price for a supposedly rare part when it may be identical to many other FOMOCO parts. This manual may not only save you money, it could be a great reference source for your restoration project. It includes model identification, vin tag information, engine codes, transmission identification, original factory part numbers, and for certain parts casting numbers. Only includes cars that were in production 1950 to 1965. It does not include interchanges for newer cars. The manual is broken down by the major groups listed below and each of these groups is further broken down into specific parts. For example under the body group it lists everything from bumpers to window regulators. Below are the groups and a sample of what is included in each group. Axel group Shafts, housing, gears, etc. Bearing group Pinion,

wheel, etc. Body group Fenders, grilles, doors, bumpers, etc. Brake group Drums, master cylinders, shoes, etc. Clutch group Cover, disc, etc. Cooling group Radiator, water pump, etc. Electrical group Alternator, horn, distributor, wiper motors, etc. Engine group Camshaft, crankshafts, heads, manifolds, etc. (covers 6 cylinder up to the 430) Fuel group Carburetors, fuel pumps, tanks, etc. Suspension group Springs, shocks, tie rods, etc. Transmission group Complete transmissions, gears, shaft, etc. Glass group Windshield, back window, vent, door Wheel group Hubs Covers the models below:
Ford: 300, Country Sedan, Country Squire, Crestline, Crestliner, Crown Victoria, Custom Deluxe, Custom 500, Customline, Del Rio, Deluxe, Fairlane, Falcon, Galaxie, Mustang, Parklane, Ranchero, Ranch Wagon, Skyliner, Starliner, Squire, Thunderbird, Ltd, Mainline Mercury: Colony Park, Comer, Commuter, Custom, Cyclone, Eight, Marauder, Meteor, Montclair, Monterey, Park Lane, S-22, S-33, S-55, Turnpike Cruiser, Voyager Lincoln: Capri, Continental, Cosmopolitan, Custom, Lido, Mark Series, Premiere Edsel: Citation, Corsair, Pacer, Ranger

The venerable Chevy big-block engines have proven themselves for more than half a century as the power plant of choice for incredible performance on the street and strip. They were innovators and dominators of the muscle car wars of the 1960s and featured a versatile design architecture that made them perfect for both cars and trucks alike. Throughout their impressive production run, the Chevy big-block engines underwent many generations of updates and improvements. Understanding which parts are compatible and work best for your specific project is fundamental to a successful and satisfying Chevy big-block engine build. In Chevy Big-Block Engine Parts Interchange, hundreds of factory part numbers, RPOs, and detailed color photos covering all generations of the Chevy big-block engine are included. Every component is detailed, from crankshafts and rods to cylinder heads and intakes. You'll

Access Free Ford Mustang Interchangeable Parts Manual

learn what works, what doesn't, and how to swap components among different engine displacements and generations. This handy and informative reference manual lets you create entirely unique Chevy big-block engines with strokes, bores, and power outputs never seen in factory configurations. Also included is real-world expert guidance on aftermarket performance parts and even turnkey crate motors. It's a comprehensive guide for your period-correct restoration or performance build. John Baechtel brings his accumulated knowledge and experience of more than 34 years of high-performance engine and vehicle testing to this book. He details Chevy big-block engines and their various components like never before with definitive answers to tough interchange questions and clear instructions for tracking down rare parts. You will constantly reference the Chevy Big-Block Parts Interchange on excursions to scrap yards and swap meets, and certainly while building your own Chevy big-block engine.

Corvettes built from 1968 through 1982 are somewhat unique collector cars for two reasons: 1) They can be purchased at relatively reasonable prices and 2) Their owners tend to be less concerned about absolute authenticity than other car collectors. This interchange manual advises owners of Corvettes from these model years as to which parts can be swapped across model years, as well as which parts from other Chevrolets can be used in their cars. An ideal, all-inclusive reference for owners who want to modify their cars at a nominal cost while expanding their modification options.

This parts interchange manual has been designed to help you in the purchase and identification of original equipment parts. It should save you many hours of time locating the parts you need. With this manual you will know exactly what parts from which vehicles are identical.
