In Natalie Whipple's HOUSE OF IVY & SORROW, no magic is good magic and every spell comes with a price. After her mother was tragically killed by the Curse, Jo and her grandmother have been extra cautious about who. Josephine Hemlock is a witch living in the modern world and with that comes responsibilities.

"A truly addictive read" (Glamour) about how a young woman's crush on a privileged former classmate becomes a story of love, lies, and dark obsession, offering stark insights into the immigrant experience, as it hurtles to its electrifying ending in this "twisty, unputdownable, psychological thriller" (People). Ivy Lin is a thief and a liar-but you'd never know it by looking at her. Raised outside of Boston, Ivy's immigrant grandmother relies on Ivy's mild appearance for cover as she teaches her granddaughter how to pilfer items from yard sales and second-hand shops. Thieving allows Ivy to accumulate the trappings of a suburban teen-and, most importantly, to attract the attention of Gideon Speyer, the golden boy of a wealthy political family. But when Ivy's mother discovers her trespasses, punishment is swift and Ivy is sent to China, and her dream instantly evaporates. Years later, Ivy has grown into a poised yet restless young woman, haunted by her conflicting feelings about her upbringing and her family. Back in Boston, when Ivy bumps into Sylvia Speyer, Gideon's sister, a reconnection with Gideon seems not only inevitable-it feels like fate. Slowly, Ivy sinks her claws into Gideon and the entire Speyer clan by attending fancy dinners, and weekend getaways to the cape. But just as Ivy is about to have everything she's ever wanted, a ghost from her past resurfaces, threatening the nearly perfect life she's worked so hard to build. Filled with surprising twists and a nuanced exploration of class and race, White Ivy is a "highly entertaining," (The Washington Post) "propulsive debut" (San Francisco Chronicle) that offers a glimpse into the dark side of a woman who yearns for success at any cost.

This NIV Value Outreach Bible is a low-cost softcover Bible perfect for churches and ministries buying in bulk to present to first-time Bible readers.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

"Delicious . . . richly riveting . . . The Vacationers offers all the delights of a fluffy, read-it-with-sunglasses-on-the-beach read, made substantial by the exceptional wit, insight, intelligence and talents of its author."--People (four stars) An irresistible, deftly observed novel from the New York Times--bestselling author of All Adults Here and This Time Tomorrow-- about the secrets, joys, and jealousies that rise to the surface over the course of an American family's two-week stay in Mallorca. For the Posts, a two-week trip to the Balearic island of Mallorca with their extended family and friends is a celebration: Franny and Jim are observing their thirty-fifth wedding anniversary, and their daughter, Sylvia, has graduated from high school. The sunlit island, its mountains and beaches, its tapas and tennis courts, also promise an escape from the tensions simmering at home in Manhattan. But all does not go according to plan: over the course of the vacation, secrets come to light, old and new humiliations are experienced, childhood rivalries resurface, and ancient wounds are exacerbated. This is a story of the sides of ourselves that we choose to show and those we try to conceal, of the ways we tear each other down and build each other up again, and the bonds that ultimately hold us together. With wry humor and tremendous heart, Emma Straub delivers a richly satisfying story of a family in the midst of a maelstrom of change, emerging irrevocably altered yet whole.

Do you consume God's blessings, or do you share them? Most Christians are consumers. We are obsessed with knowing the right theology and following the right set of rules in hopes that God will bless us. Yet, no matter how much God blesses us, we are still looking for more. James says our faith is dead. But there is another type of Christian, one who craves being put to work as the servant of God to share God's blessings with others. Their faith spurs them on to become the hands and feet of Christ. James says their faith is alive. James in the Suburbs is far more than your ordinary Bible study guide. It is also a parable--an energizing story of the lives of six men and women--that wraps itself around the Epistle of James, making its teachings immediately applicable to modern life. You will walk away with not only a thorough understanding of the epistle, but also the unforgettable story of people just like you, whose lives the Holy Spirit turned upside down. This book can be read casually by an individual or studied within a group. The final chapter provides everything readers need for a guided twelve-week study.
