a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the

Action steps at the end of each chapter Personal stories and real-life examples All types of marriages—good ones, mediocre ones, and bad ones—will experience a jumpstart as a result of hearing, believing, and living the message of *Date Your Wife*.

But because the majority of marriages in this country consist of unions in which wives are more heavily invested in marital success than are their husbands, much of this sensible effort by reasonable people needs to be consistently initiated and maintained by men. In fact, men often hold the keys to bringing about the type of loving marriage they had hoped for when they first said 'I do.' In *How To Love Your Wife*, Dr. Buri makes these keys clear, understandable, and accessible.

the Oprah Winfrey show the audience was stunned to learn that this book was actually written by a woman. How to Dump Your Wife is for those who have accepted that sometimes a marriage is simply beyond saving—regardless of whether a desperate or vengeful wife can accept that fact. Irreverent, funny, and brutally honest, Lee Covington teaches men to survive divorce despite a legal system in which the cards are heavily stacked against them. Her practical advice on withstanding the emotional and financial ravages of divorce focuses on how to survive three types of wives: (1) the doting, clingy sweetheart who wants to stay married at all costs; (2) the shrill, abusive, spiteful, soul-sucking harpy; and (3) the self-absorbed career woman with powerful friends and her own agenda. Let this book get you through the tough times with great advice and laughter.
