How Women
chosen profession,
women must stop
attempting to be perfect,
quit trying to please
everyone all the time
and stop dwelling on
their past mistakes. By
developing the
confidence to take up
more physical space,
making the right social
connections at work and
owning their own
accomplishments,

have noticed that in the
workplace, high
achievers — men and
women — often
demonstrate problematic
habits that undermine
their career, that have
propelled them in the
past and that won't
allow them to move
further up.

How Women
Rise. We live in a
society where
workspaces are largely
designed for men, by
men. Women have to
work extra hard to get
where they want to be
and part of that work
includes not only career
work, but personal work
too.
