Identity and Politics in Central Asia and the Caucasus ...

Identity is the intermediate stopover in the two-way feedback between economics and politics. A focus on identity politics has important practical implications. One of them is that, to succeed in the fight against populism, democratic politicians have to learn to practice identity politics, but of the right kind.

Populism and Identity Politics

This identity politics is a dangerous phenomenon. The alternative presented in the mainstream political discourse is an identity politics which is supposed to represent the interests of minority or marginalised

groups, by tracing politics to the foundation of a group identity, generally defined according to abstract categories of race and gender.

The problem with identity politics | New Humanist

Identity politics is a term that describes a political approach wherein people of a particular religion, race, social background, class or other identifying factor develop political agendas and organize based upon the interlocking systems of oppression that affect their lives and come from their various identities. Identity politics centers the lived experiences of those facing various systems of oppression to better understand the ways in which racial, economic, gender, and other forms of oppre

Identity politics - Wikipedia

conflicting views of language and identity, from about 1935 until near the end of the Soviet era we are left primarily to observe policy shifts that in large measure reflected decisions made in Moscow. Under Gorbachev, thanks to glasnost, there were more clues about language and identity from Central Asians' own voices.

Focusing on the areas of politics, identity and education, this book looks at some of the most pressing and challenging issues that Kyrgyzstan faces in the post-Soviet era. It argues that Kyrgyzstan is challenged with oscillations between the old and the new on the one hand, and domestic and international on the other. The book analyses the process of post-Soviet transition in today ' s ...
