for creating notebook pages on a variety of topics, and generic reproducibles for creating even more notebook pages. The books focus on grade-specific math or language arts skills and are aligned to current state standards.

Designed as a self-study resource, this handbook guides readers through nine categories of instructional strategies proven to improve student achievement. Sections 1-9 address the nine categories of instructional strategies that can be applied to all types of content, at all grade levels, and with all types of students: Identifying similarities and differences; Summarizing and note taking; Reinforcing effort and providing recognition; Homework and practice; Representing knowledge; Learning groups; Setting objectives and providing feedback; Generating and testing hypotheses; and Cues, questions, and advance organizers. For each of the nine categories, exercises, brief questionnaires, tips and recommendations, samples, worksheets, rubrics, and other tools are provided. For elementary and middle school teachers, counselors, evaluators, and administrators.

"Satisfying, gratifying, touching, weighty—this authentic piece of work has got soul."—The New York Times Book Review As twelve-year-old Marlee starts middle school in 1958 Little Rock, it feels like her whole world is falling apart. Until she meets Liz, the new girl at school. Liz is everything Marlee wishes she could be: she's brave, brash and always knows the right thing to say. But when Liz leaves school without even a good-bye, the rumor is that Liz was caught passing for white. Marlee decides that doesn't matter. She just wants her friend back. And to stay friends, Marlee and Liz are even willing to take on segregation and the dangers their friendship could bring to both their families. Winner of the New-York Historical Society Children's History Book Prize A New York
