This 23,000-word Second Edition of the NLD provides a reliable, accurate, and user-friendly reference text and serves as a central component of the revitalization movement. It is an indispensable resource for advanced language users as well as beginning students of the language and has many innovative features including: Over 40,000 example sentences, usage notes, and collocations; A modern layout that makes it easy to find words and their usage; 3,160 more entries than the first edition of the NLD; A standard orthography that adequately marks all meaningful sounds in the language; All verb entries include conjugation paradigms; Special symbols that mark the 3,000 most important words; Descriptions of word-stems and stem nests. The volume forms the foundation for Lakota and Dakota languages and provides the basis upon which students, teachers, and community members can move forward with confidence in restoring the living language. 2009 Bronze Medal Winner - Reference-IPPY

Lakhotiya Woglaka Po!-Speak Lakota Level 4 Textbook includes cutting-edge features such as: pair-work, matching, reading comprehension, and listening activities. The textbook reviews and builds on vocabulary from Level 1-3, while expanding into more complex grammatical areas-helping students know the language by encouraging a process of discovery that internalizes the language into the student's active language framework.

This is the second year of learning simple conversation Lakota sentences. The next level. In the middle of the workbook the student is told the story of Wantaya, one of seven creation stories about the Lakota. It is loaded with the Lakota culture.

Lakhotiya Woglaka Po! - Speak Lakota! Level 2 ...

From the costly velvets and furs worn by kings to the undyed wools and rough linens of the peasantry, the clothing worn by the various classes in the Middle Ages played an integral role in medieval society. In addition to providing clues to status, profession, and/or geographic origin, textiles were a crucial element in the economies of many countries and cities. Much of what is known about medieval fashion is gleaned from the pages of manuscripts, which serve as a rich source of imagery. This volume provides a detailed look at both the actual fabrics and composition of medieval clothing as well as the period's attitude toward fashion through an exploration of illuminated manuscripts in the collection of the J. Paul Getty Museum. The last portion of the book is dedicated to the depiction of clothing in biblical times and the ancient world as seen through a medieval lens. Throughout, excerpts from literary sources of the period help shed light on the perceived role and function of fashion in daily life.
