Abbotsbury Hill.

~~Britain's best locations for landscape photography~~

To the casual photographer, landscape photography in the Midwest is an oxymoron. The workshop advertising pages of outdoor photography magazines aren't exactly flooded with trips to the Midwest. It's all the more impressive, however, when one finds beauty in the more subtle and smaller pockets of the diverse natural landscape of the Midwest.

Comment. Scotland is insanely beautiful, whichever part you visit; that makes it tricky to come up with the best places for landscape photography in Scotland. The country allows you to travel across the snow-capped summits of its many mountain ranges, descend through Caledonian woodland rich with wildlife, cross the shores of the country's vast lochs, and move on towards the rugged and picturesque coastline.

Have you ever dreamed of taking such incredible landscape photos that your friends and family say, "Wait a minute, this is your photo?!" You took this? Well, you're in luck. Right here, in this book, pro photographer and award-winning author Scott Kelby teaches you how to shoot and edit jaw-dropping landscape photographs. Scott shares all his secrets and time-tested techniques, as he discusses everything from his go-to

essential gear and camera settings to the landscape photography techniques you need to create absolutely stunning images. From epic scenes at sunrise to capturing streams and waterfalls with that smooth, silky look, and from photographing the night sky or the Milky Way to creating breathtaking, sweeping panoramas, Scott has got you covered. Among many other topics, you'll learn:

- The secrets to getting super-sharp, crisp images (without having to buy a new lens).
- Exactly which camera settings work best for landscape photography and why (and which ones you should avoid).
- Where to focus your camera for tack-sharp images from foreground to background.
- How to shoot beautiful high dynamic range images and stunning panoramas (and even HDR panos!), along with how to post-process them like a pro.
- How to create captivating long-exposure landscape shots that wow your viewers.
- What gear you need, what gear you can skip, which accessories work best, and a ton of killer tips that will not only help you create better images, but make the entire experience that much more fun. It's all here, from the planning, to the shoot, to the post-processing—taking your images from flat to fabulous—and best of all, it's just one topic per page, so you'll get straight to the info you need fast.

There has never been a landscape book like it! - Tips for getting great portraits of the locals and even how to get them to pose for your shots.
- When it makes more sense to use your cell phone's camera instead.
- Travel photo recipes that show you the ingredients for creating specific types of travel shots.
- How to compose your travel images, how to keep your gear safe when traveling, and a ton of killer tips to help you create better travel images, and make your entire trip that much more fun.

It's all here! Scott doesn't hold anything back in this groundbreaking book that will help you take the type of travel images you've always dreamed of. There's never been a travel photography book like it!

Ian Adams is perhaps the best-known landscape photographer in Ohio, and in the first volume of *A Photographer's Guide to Ohio*, he shared his knowledge of what to photograph in the Buckeye State and how to photograph it. Now, in this second volume, Adams expands on his previous work, adding over 120 natural features, scenic rivers and byways, zoos and public gardens, historic buildings and murals, and even winter lighting displays to the list of places to visit and photograph in Ohio. In addition to advice on photographing landscapes, he offers tips for capturing excellent images of butterflies and dragonflies. Recognizing the rapid development of new technologies, Adams includes pointers on smartphone photography, lighting and composition, digital workflow, and sharing images across a variety of platforms. The book is illustrated with more than

100 color photographs. Comprehensive and concise, these two volumes make up a travel and photography guide to almost 300 of Ohio's most noteworthy and beautiful outdoor places.

Photographing Washington covers the most photogenic natural locations—and a few man-made ones—in Washington, The Evergreen State. Covering the entire state, from the rugged coastline to Puget Sound and islands in the Salish Sea, through the Columbia River Gorge and over the Cascade Mountains, across the Columbia Plateau to mountains and valleys on the eastern border. Come explore coastal cliffs and beaches, lighthouses, wildlife refuges, gardens, waterfalls, verdant valleys, volcanic peaks, sagebrush-steppe desert, the rugged terrain of the Channeled Scablands and the gently rolling hills of the Palouse.

Considered by many to be the world's top destination for amateur and professional landscape photographers, Iceland possesses unparalleled beauty, and the variety of spectacular landscapes found on this small island is astounding. Whether you're visiting Iceland as a destination in its own right or as a stopover on your way elsewhere, you're bound to have a unique and memorable experience.

To help you make the most of your trip—no matter how long or short it is—Photographing Iceland provides you with five unique photography-focused tours that cover 37 must-see locations for you to photograph.

Author, photographer, and Iceland expert Martin Schulz is your guide, providing you with background information on each location, detailed directions (including QR codes with Google Maps links), advice on gear and traveling,

suggestions on the best time of year and day to visit each location, and the ideal angles from which to shoot. (Because who wants to end up on the wrong side of Europe's largest waterfall, Dettifoss, shooting it against harsh midday sunlight?) Each tour conveniently starts and ends in Reykjavík, allowing you to complete one or more tours on your trip or combine all the tours for one epic adventure.

Tours include:

- Trip 1: Snæfellsnes
- Trip 2: The North of Iceland
- Trip 3: The South Coast of Iceland
- Trip 4: Golden Circle Plus the Secret Waterfalls
- Trip 5: Reykjavík
