Sarebbero tre stelle e mezzo, ma l'altra metà è perchè comunque l'autrice è riuscita a fidelizzare il lettore. Ho trovato alcune espressioni della traduzione poco in linea con il resto del testo e lo stile, ma in pochi punti.

From evil vampires to a mysterious pack of wolves, new threats of danger and vengeance test Bella and Edward's romance in the second book of the irresistible Twilight saga. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is even more dangerous than Bella could ever have imagined. Edward has already rescued Bella from the clutches of one evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may be just beginning. Bella and Edward face a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires, the Volturi. Passionate, riveting, and full of surprising twists and turns, this vampire love saga is well on its way to literary immortality. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Hailed as Italy's The Fault in Our Stars, this Italian bestseller is now available for the first time in English. "I was born on the first day of school, and I grew up and old in just two hundred days . . ." Sixteen-year-old Leo has a way with words, but he doesn't know it yet. He spends his time texting, polishing soccer maneuvers, and killing time with Niko and Silvia. Until a new teacher arrives and challenges him to give voice to his dreams. And so Leo is inspired to win over the red-haired beauty Beatrice. She doesn't know Leo exists, but he's convinced that his dream will come true. When Leo lands in the hospital and learns that Beatrice has been admitted too, his mission to be there for her will send him on a thrilling but heartbreaking journey. He wants to help her but doesn't know how—and his dream of love will force him to grow up fast. Having already sold over a million copies, Alessandro D'Avenia's debut novel is considered Italy's The Fault in Our Stars. Now available in English for the first time, this rich, funny, and heartwarming coming-of-age tale asks us to explore the meaning—and the cost—of friendship, and shows us what happens when suffering bursts into the world of teenagers and renders the world of adults speechless.

Exploring the modern approach to the economics of happiness, which came about with the Easterlin Paradox, this book analyses and assesses the idea that as a country gets richer the happiness of its citizens remains the same. The book moves through three distinct pillars of study in the field: first analysing the historical and philosophical foundations of the debate; then the methodological and measurements issues and their political implications; and finally empirical applications and discussion about what determines a happy life.

A prize-winning international classic, first published in English in 1993, now with a new foreword by William Boyd.

The first rule about fight club is you don't talk about fight club. Chuck Palahniuk showed himself to be his generation's most visionary satirist in this, his first book. Fight Club's estranged narrator leaves his lackluster job when he comes under the thrall of Tyler Durden, an enigmatic young man who holds secret after-hours boxing matches in the basements of bars. There, two men fight "as long as they have to." This is a gloriously original work that exposes the darkness at the core of our modern world.

For fans of Red Queen and Grave Mercy comes the captivating sequel to the Renaissance France-inspired epic fantasy The Queen's Rising. Brienna is a mistress of knowledge and is beginning to settle into her role as the daughter of the once disgraced lord, Davin MacQuinn. Though she'd just survived a revolution that will return a queen to the throne, she faces yet another challenge: acceptance by the MacQuinns. But as Queen Isolde Kavanagh's closest confidant, she'll have to balance serving her father's House as well as her country. Then there's Aodhan Morgan, formerly known as Cartier Évariste, who is adjusting to the stark contrast between his pre-rebellion life in Valenia and his current one as lord of a fallen House. As he attempts to restore the Morgane name, he let his mind wander—what if he doesn't have to raise his House alone? What if Brienna could stand by his side? But Brienna and Cartier must put their feelings aside, as there are more vital tasks at hand—the Lammons' trial, forging alliances, and ensuring that no one halts the queen's coronation. Resistance is rumbling among the old regime's supporters, who are desperate to find a weakness in the rebels' forces. And what makes one more vulnerable than love?

"Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

SOON TO BE A MAJOR MOTION PICTURE. THE SERIES WITH MORE THAN TWO MILLION BOOKS SOLD WORLDWIDE! After one hellish year, Jennifer and Alex decide to take a break from it all and spend the holidays back in Maine with their extended family, only this time they don't choose their home on the Maine coast. Instead, they rent a mansion at the popular ski resort, Sugarloaf Mountain. And while they're there, apparently everything that can go wrong does go wrong in ways that are designed to keep you horrified—as well as howling. After all, at Sugarloaf, a motherlode of surprises await Blackwell, Daniela, Alexa, Cutter, Brock and Madison (from "Ignite Me"), and naturally, also Jennifer and Alex. Could there be love in the air for Blackwell? And also for Daniela and Alexa? And if there is for any of them, what fresh hell does that mean for you—the reader? In "Annihilate Him: Holiday"—in which Lisa, Tank, Epifania and Rhoda also are onboard—romance, love, sexy times and hilarity ensue! Note: You must read volumes 1-3 of the "Annihilate Him" series before you read "Annihilate Him: Holiday." Many readers have asked, so!
