Overall, Look For Me By Moonlight was suspenseful and sufficiently creepy, but still a little disappointing. It was predictable and the ending fell flat - just plain unfulfilling after a pretty good build-up.

When I began to cry, Vincent yawned, showing his sharp teeth and his red tongue. "Silly little fool, don't bore me with your tears." I raised my hands to protect my throat, but he was already at the door. "Remember, Cynda. 'I'll come to thee by moonlight, though hell should bar the way.'" Several days passed.

Cynda feels like a visitor in Dad's new life, an outsider. Then intense, handsome stranger Vincent Morthanos arrives at the inn and seems to return Cynda's interest. At first she is blind to the subtle, insistent signs that Vincent is not what he seems—that he is, in fact, a vampire. Can Cynda free herself—and her family—from Vincent's power before it's too late? Full-bodied characterizations and page-turning suspense ensure that this eerie, riveting novel will appeal to middle school fans of mystery and horror.

Feeling isolated when she travels to forbidding Underhill with her father and stepmother, sixteen-year-old Cynda is mesmerized by the mysterious Vincent and hopes he shares her feelings, until she discovers his terrible power. Reprint.

Her mother called her the Devils girl, and Grace grew up believing it. She now works in a brothel in the failed mining town of Silver Bough with nothing to look forward to but the slow fade of day into night. Soon, she'll be too old to keep around, so Grace feels her only recourse is to trick a man into loving her and whisking her away from her life as a whore. Grace teeters on the edge of madness and despair. Some nights, she imagines herself wandering into the wilderness, never to be seen again. She's in dire straights; her only options are a loveless marriage or disappearing into the desert to face certain

death. Then, everything changes with the arrival of a mysterious stranger who claims to know all about her past. This stranger wants to show her who she really is, but Grace finds the truth crazier than fiction. Shes flung into a world of dark forces, frightening apparitions, and near-certain destruction. Does she have the strength to survive her own fate? Will she allow others to control her, or will she draw on her inner power to save herself and rise about the lost and the fallen?

I am Meredith Gentry, P.I. and Princess Merry, heir to the throne of Fairie. Now there are those among me who whisper I am more. They fear me even as they protect me. And who can blame them? I've awakened the dazzling magic that's slumbered in them for thousands of years. But the thing is, I can't figure out why. My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen's Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I

dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they're consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions.

strict grandparents, she's cultivated a whimsical fantasy life in which she plays the heroic detective and every stranger is a suspect. But her solitary world expands when she takes a job the summer before college, working the graveyard shift at a historic Seattle hotel. In her new job, Birdie hopes to blossom from introverted dreamer to brave pioneer, and gregarious Daniel Aoki volunteers to be her guide. The hotel's charismatic young van driver shares the same nocturnal shift and patronizes the waterfront Moonlight Diner where Birdie waits for the early morning ferry after work. Daniel also shares her appetite for intrigue, and he's stumbled upon a real-life mystery: a famous reclusive writer—never before seen in public—might be secretly meeting someone at the hotel. To uncover the writer's puzzling identity, Birdie must come out of her shell...discovering that the most confounding mystery of all may be her growing feelings for the elusive riddle that is Daniel.

In Erin Beaty's fantasy mystery-thriller, *Blood and Moonlight*, an orphan with a secret, magical sight gets caught between a mysterious genius and the serial killer he's hunting. Rising above the city of Collis is the holy Sanctum. And watching over its spires is Catrin, an orphan girl with unique skills—for she alone can spot the building's flaws in construction before they turn deadly. But when Catrin witnesses a murderer escaping the scene of his crime, she's pulled into a dangerous chain of events where the only certainty is that the killer will strike again. Assigned to investigate is the mysterious and brilliant Simon, whose insights into the mind of a predator are frighteningly accurate. As the grisly crimes continue, Catrin finds herself caught between killer and detective while hiding her own secret—a supernatural sight granted by the moon, destined to make her an outcast, and the only thing that might save her and those she loves from becoming the next victims...

An epic tale blending Persian and Jewish cultures travels from the Tehran's Jewish ghetto, through Turkish whorehouses, to Los Angeles as Lili, with the help of Aunt Miriam the Moon, searches for her magical mother Roxanna the Angel. By the author of *Cry of the Peacock*. Reprint.
