Before becoming a mother, Leah Witman Moore would zoom through the day with her to-do list in hand, happily teaching high school students, and returning home to her loving husband, Zachary. Then their first child, Jordan, was born with an extremely rare syndrome called Cri Du Chat. And when their twin boys, Austin and Oliver, were born four years later, they found themselves surrounded by neurosurgeons and oncologists, once again testing the resolve of their sanity and their marriage. In *Loving You Big*, Leah Witman Moore recounts how she learns to balance the joys and sorrows of her life as she navigates between wig-clad dance parties and the painful loss of loved ones. This powerful and poignant memoir teaches readers to celebrate every small victory, savor every chaotic moment, and recognize the profound impact of a kind word.
