Each Neopet receives ONE
petpage that their owner can edit,
add or remove content. Neopets
provides their own template for
every petpage, however, if you
want to make your own, you can.
Click here to edit yours. How do I
make one? Basically, you can make
a petpage using a page builder, or
HTML codes.

Neopets invites you to create your first Neopet as part of the signup process, so you've probably already met your new companion. It's worth noting that it isn't strictly necessary to create a brand-new pet when you make an account, though -- once you've verified your email address, you also have the option of adopting a pet who already exists, but doesn't currently have an owner.
