I loved the third edition of Lovelace Lane. This story concentrates on Evie, who returns to Lovelace Lane to stay at her parents house before her wedding to Angus. The Big House on Lovelace Lane is the second book in the series. It can be read as a standalone, but the characters appear in both books so I highly recommend reading them in order. I was so thrilled to be back on Lovelace Lane. It felt like being home again with the loveable Characters Alice always manages to create.
