There's a LEYLAND Tractor Service Manual PDF above the page. Leyland is a British tractor brand made by the British Leyland Motor Corporation (BLMC). The brand was born in 1968 as a result of the reorganization of British Motor Corporation and Leyland Motors, when the manufacture of Nuffield tractors transferred to British Leyland.

Anthony Clare starts with the preparatory work of 1943 and takes the story up to 1967, the era of the powerful 10/60 model - the machine that became known by many as the Rolls-Royce of tractors. He deals fully with development, production, models, sales, distribution, implements, after-sales service and testing. He has also unearthed a wealth of previously unseen photographs.
