To get the most out of this new system of innovation, companies must open their business models by actively searching for and exploiting outside ideas and by allowing unused internal technologies to flow to the outside, where other firms can unlock their latent economic potential. Let's be clear about what is meant by the term business model.

Why Companies Should Have Open Business Models

What you need to do to set up depends on your type of business, where you work and whether you take people on to help. Register your business. Most businesses register as a sole trader, limited ...

Set up a business

During the 1990s, when the business world was buzzing with talk about a new economy and new business rules, people — even business gurus — seemed to forget the part about making money, and businesspeople sidelined the use of business models. But when the dot-com boom began to bust, suddenly everybody started asking about business models again.
