I bought Jeff Abbott's "Panic" based on the unbroken string of 5-star reviews, as well as a strong endorsement from "Booklist". So while Abbott and "Panic" clearly have an enthusiastic following, I've got to take the contrarian view.

PANIC: ULTIMATE EDITION is a “re-imagining” of my 2005 novel PANIC. Published in the UK only, PANIC: ULTIMATE EDITION is written specifically for teenagers, with the novel’s hero, Evan Casher, recast as a fifteen-year old student. It is not a sequel to PANIC and I have no plans to publish it in the US at this time.

A brilliant young CIA agent has it all--until he's the lone survivor of a terrorist attack that his wife may or may not have been involved in planning--in Jeff Abbott's "exhilarating" (Harlan Coben) thriller, the launch of his fan favorite Sam Capra series. "If you knew this was our final day together, what would you say to me?" "Anything but good-bye. I can't ever say good-bye to you." Sam Capra is living the life of his dreams. He's a brilliant young CIA agent. His wife Lucy is seven months pregnant with their first child. They have a wonderful home, and are deeply in love. They have everything they could hope for...until they lose it all in one horrifying moment. Sam receives a call from Lucy while he's at work. She tells him to leave the building immediately. He does...just before it explodes, killing everyone inside. Lucy vanishes, and Sam wakes up in a prison cell. As the lone survivor of the attack, he is branded by the CIA as a murderer and a traitor. Escaping from the agency, Sam launches into a desperate hunt to save his kidnapped wife and child, and to reveal the unknown enemy who has set him up and stolen his family. A death rocks the Gulf Coast town of Port Leo, Texas. Beach-bum-turned-judge Whit Mosley is summoned to a yacht where the black-sheep son of a senator lies dead. Was it suicide, fueled by a family tragedy? Or did an obsessed killer use the dead man as a pawn in a twisted game? When Whit defies political pressure and conducts an inquest, he and Detective Claudia Salazar expose a nest of drug lords, con artists, and power-hungry sharks - all out for blood. With their careers -- and their lives -- at stake, Whit and Claudia must unearth a lethal trail of passion and deceit that lies buried not in the warm sands of Port Leo but in the icy recesses of the human heart.

In a small Texas town, murder brings home the unforgotten past. Twenty years ago, as Hurricane Althea lashed Central Texas, twelve-year-old Jordan Poteet and his friends decided to ride it out in their tree house. Now, the six schoolmates who shared the grisly sight of death so long ago are being coolly murdered, one by one, day by day. By whom? Why? Unless Jordan and Police Chief Junebug Moncrief, another survivor of the storm, can answer those questions fast, it will be their turn to die. . . .
