NOTES] [REVIEWER'S EXPERT

OPINION]

Applied Pharmacology for Veterinary Technicians - 4th Edition

Technicians are assuming more responsibilities and are taking on more leadership roles. As their roles continue to expand and evolve, it is imperative that pharmacy technicians be well-trained. Many states are passing laws that mandate technician certification as a minimum requirement for all technicians.

Clinical Pharmacology and Therapeutics for Veterinary ...
Clinical Pharmacology and Therapeutics for Veterinary Technicians 4th Edition. The expectations for today ' s veterinary technician in terms of the technician ' s level of performance, degree of medical understanding, and ability to make independent decisions are different than for the technician we educated 10 or 15 years ago. When the profession began, the primary role of the veterinary technician was to be an extension of the veterinarian ' s hands, and therefore the technician was used ...
