The high level steps to leveraging the power of prosumers are as follows: Identify the key online influencers for your product, brand, business or industry (i.e., the prosumers).

---

The Shift from CONsumers to PROsumers

A new buzzword is out on the streets signaling a growing shift in how we power our homes and communities - “prosumers.” Simply put, a prosumer is someone who both produces and consumes energy - a shift made possible, in part, due to the rise of new connected technologies and the steady increase of more renewable power like solar and wind onto our electric grid.
