A problem-solution essay is a type of argument. "This sort of essay involves argumentation in that the writer seeks to convince the reader to take a particular course of action. In explaining the problem, it may also need to persuade the reader concerning specific causes" (Dave Kemper et al., "Fusion: Integrated Reading and Writing," 2016).

Problem Solution Essays: Definition and Examples
Problem solving is defined as a step-by step process of defining the problem, searching for information. The goal of problem solving is to find and implement a solution, usually to a well defined and well- structured problem. Critical thinking is a broader term describing reasoning in an open-ended manner, with an unlimited number of solutions.
