HATE TO LOVE YOU is another delightful book by Tijan. A story that is about college students, Shay and Kennedy, with the ingredients I like: all that drama, the parties, the "I hate you, but I actually love you". The book has a good romance with a bit of drama and a deeper theme in the background. Shay is a sweetheart.

Hate You, Love You Summary Hate You, Love You summary: I hate you!The first word the strange little boy shouted at me?!We've been knowing each other since the early childhood. He's been around me all the time. Does he hate me or love me?

Rule **#1**: No hot guys. It might sound ridiculous. I get it. It kind of was, but college was supposed to be my sanctuary. It was my place to start over. The rumors, the whispers, and the jealousy I endured through high school would all be gone. No one would know me at college. Rule **#2**: No drama. I'd major in pre-law. I'd make a few loyal friends. Everything would be easy-breezy. No one was going to use me or hurt me. I wouldn't let them. Rule **#3**: New year. New place. New me. Right? Wrong. And all because of Shay Coleman. Football captain and quarterback, he was the big guy on campus. The cocky guy in my political science class with a smirk. I hated him on sight and he was about to break all my rules. Hate To Love You is a full-length standalone. There are elements that deal with the dark side of college.

Dive into this sizzling romantic comedy from USA Today bestselling author Melissa Schroeder. He is absolutely, completely, and undoubtedly the one man I shouldn't fantasize about. Other than being my boss, he's too rigid, a workaholic with a checkered past when it comes to women. Knowing all that, I shouldn't think about how his hands would feel on my body, or how his voice would sound when he whispered my name in the dark. But I can resist him. Mainly because he can't stand me, and he's the kind of boss who makes me think about murder on a daily basis. That's until he shows me his softer side and ignoring my need for him becomes impossible. No, softer side or not, I have to resist the lure of Grady Hawthorne because if I don't, I'm pretty sure I won't survive the fall. Warning: This book includes a smack-talking executive assistant, a workaholic boss who has the most amazing...mouth, irritating siblings, a drunken night that ends in jail, and a happily ever after that will make you sigh. Author assumes no responsibility for overheated readers. This is a standalone romantic comedy with no cheating and an HEA.

There's a fine line between love and hate. And these two can't decide which side they're really on. . . . Poetry professor Naomi Price is loved by her students, happily works around the clock, and has credentials no one could deny. Except, it seems, for her arch-nemesis at Hainamor University. The man never has anything polite to say, and now the two of them are competing for a prestigious honor that just so happens to come with a cash award. With every move Naomi makes to impress her colleagues, her rival is right there beside her, elbow to elbow, making it impossible to ignore how devastatingly hot he is—even if he is a total bastard. Sebastian Blake knows what Naomi thinks of him, and he's trying hard not to care. Maybe he's been grouchy with her in the past, but she isn't making his life any easier with her crusade to win over the Personnel Committee and earn an honor that is rightfully his. Naomi just doesn't quit, and though he'd never admit it, there's something sexy about her. Something that has him tied up in knots. Something that makes him want to move beyond his painful past and take a chance—at least for as long as it takes to kiss her silly and see what happens next. From USA Today bestselling author Jennifer Sucevic comes a sexy, new standalone novel. Brody McKinnon is Whitmore University's star defenseman destined for NHL greatness. He made a name for himself playing juniors before gracing us with his esteemed presence. As much as it pains me to admit it, he's exploded at the college level. While other girls fall all over themselves trying to gain his attention, I do my best to steer clear just as I would a particularly nasty case of crabs. For reasons I can't fathom, Brody takes great pleasure in messing with me. And I, in return, enjoy slicing him to ribbons with my razor-sharp tongue. You'd think after three years, he'd learn to keep his distance. No such luck. Unfortunately for me, I'm about to experience the worst week of my life. It starts with my ex-boyfriend announcing at a party that I'm a lousy lay. He's the hockey-playing jerk I dated last year who left a bad taste in my mouth (*eyeroll* seriously...get your mind out of the gutter). Want to guess who rides in on his trusty white steed to rescue me? Or should I say, opens his big mouth? Yep, you guessed it. Brody freaking McKinnon, the guy I love to hate. He only makes matters worse by telling everyone that we're together and then punching Reed in the face. The first...I plan on strangling him for. The second...I'm only sorry I didn't get to Reed first. Now I'm stuck fake-dating Brody, the one guy who makes me feel like a rabid dog on a choke chain, for the foreseeable future. I guarantee we won't last more than seventy-two hours without me killing him. *This is a mature New Adult novel with strong language and sexual situations intended for readers over the age of 18*

In this romantic dramedy from the author of Alex, Approximately, a teen girl's way-too-ordinary life is driven off the beaten path when she's abandoned in the wilderness with her worst adversary—the boy who broke her heart. Ever since last year's homecoming dance, best friends-turned-best enemies Zorie and Lennon have made an art of avoiding each other. It doesn't hurt that their families are the modern day, Californian version of the Montagues and Capulets. But when a group camping trip goes south, Zorie and Lennon find themselves stranded in the wilderness. Alone. Together. What could go wrong? With no one but each other for company, Zorie and Lennon have no choice but to hash out their issues via witty jabs and insults as they try to make their way to safety. But fighting each other while also fighting off the forces of nature makes getting out of the woods in one piece less and less likely. And as the two travel deeper into Northern California's rugged backcountry, secrets and hidden feelings surface. But can Zorie and Lennon's rekindled connection survive out in the real world? Or was it just a result of the fresh forest air and the magic of the twinkling stars?
