If your people skills aren't strong, neither will be your leadership. Bestselling author and leadership expert John C. Maxwell knows that if people aren't following you, then you're not really leading. In Relationships 101, Maxwell provides time-tested principles for developing healthy relationships with others?inside and outside of your organization?such as: The fundamentals common to all good relationships How to motivate people by knowing five things everyone has in common How to create a lasting connection with people on your team Why listening skills can be a leader's best friend The crucial factor that creates the foundation of all good relationships The most important relationship for any person's success Just about everything you do depends on teamwork. Regardless of your role or position in any community or organization, you will be involved with other people. Winning in every area of life comes from winning with people. Improve your leadership skills and areas of your life with Relationships 101!

Draws on the author's teachings on how to build team relationships, presenting basic principles on how to connect with other people and build positive working relationships within an organization.

Discusses eight fundamentals needed for leadership, including attitude, relationships, mentoring, and more.

Explains how one's disposition is a key factor in his or her leadership capabilities, identifying the factors that shape a person's attitude while offering advice on how to overcome common obstacles.

Relationships are at the heart of every positive human experience. Maxwell, a master communicator and relational expert, makes learning about relationships accessible to everyone. The most sophisticated leaders and salespeople will pick up on skills that will make them even better, and relational novices will learn skills that can transform them into relational dynamos.

John C. Maxwell, an expert in leadership development, uses his decades of experience to teach readers how to reach their full potential through a commitment to personal growth. In Self-Improvement 101, he provides the essential tips and tools to help any leader continue striving for excellence no matter what industry, business, or level of leadership. You'll learn: the secret of becoming a lifelong learner, where to focus your time for maximum growth, what sacrifices are worth making to keep getting better, how to overcome obstacles to self-improvement, the key to turning experience into wisdom, and why leaders need to be learners, among many other essential lessons. People never reach their potential by accident. Often, those who achieve the greatest success have the greatest desire to learn and grow. Self-Improvement 101 guides readers on an essential journey to uncovering their own desire, commitment, and unyielding determination to improve their life--and to improve themselves.

Being a leader means working with people, and that's not always easy! Whether in your office, church, neighborhood, or elsewhere, your interpersonal relationships can make or break you as a leader. That's why it's so important to be a "people person" and develop your skills in tapping that most precious of all resources: people. In this powerful book, America's leadership expert John Maxwell helps you: discover and develop the qualities of an effective "people person" improve your relationships in every area of life understand and help difficult people overcome differences and personality traits that can cause friction inspire others to excellence and success Loaded with life-enriching, life-changing principles for relating positively and powerfully with your family, friends, colleague, and clients, Be a People Person is certain to help you bring out the best in others—and that's what effective leadership is all about.

Includes all four books of the 101 series: Relationships, Equipping, Attitude, and Leadership.

This beloved book has touched hundreds of thousands of lives with its profound and actionable advice. Retaining the core message of becoming more mindful in our relationships, this edition includes new and revised material that addresses how we live and love today. A new preface touches on David Richo's experience with the book over time and outlines the key updates, including attention to online dating and modern communication styles as well as new perspectives on anger and ending relationships. "Most people think of love as a feeling," says Richo, "but love is not so much a feeling as a way of being present." How to Be an Adult in Relationships explores five hallmarks of mindful loving and how they play a key role in our relationships. Adult love is based on a mutual commitment to what Richo calls the "five A's": attention, acceptance, appreciation, affection, and allowing. Brimming with practical exercises for couples and singles, How to Be an Adult in Relationships offers heartening insights into a lifelong journey of love. Topics include: • Becoming conscious of our relationship patterns and how they relate to childhood • Recognizing and attracting someone who can show adult love • Understanding the phases relationships go through • Creating and maintaining healthy boundaries • Overcoming fears of abandonment and engulfment • Expressing anger and other emotions in adult and loving ways • Surviving break-ups with our self-esteem intact • Understanding love as a spiritual journey

#1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.
