Payne's Handbook of Relaxation Techniques—4th Edition

Relaxation doesn't have to mean sitting still ^l gentle exercise can help you relax too. Take a walk, going at your own pace. You might choose to go for a longer walk, but even a few minutes of walking can help you feel relaxed. Look for a class you'd like to try, such as yoga, Pilates or gentle stretching.

Relaxation Techniques By Rosemary A. Payne | Used

Relaxation is a stress-reducing technique in which blood flow increases and the feeling of anxiety and worry diminish with the voluntary tensing and relaxing of different muscle groups within five to ten seconds [15].
