Replacing Factory Sony Radio With
If the existing radio is the ' DIN shape ' as pictured and is made by an audio brand like Grundig, Blaupunkt, Pioneer, Kenwood, Sony or Philips it ' s likely that it can be replaced. If the unit appears to be roughly the correct size and appears separate from the dashboard with a continuous gap between the radio and the rest of the dashboard it probably can be removed.

SONY Radios - Cheap SONY Radios Deals | Currys PC World
Factory stereo system. The F-150 SuperCrew was available in a variety of different trim packages with a variety of different stereos. The base stereo was a simple AM/FM radio, and the step-ups went from a CD player with an aux jack all the way to a Sony audio system. Satellite radio was an option as well, not to mention Ford's SYNC® system.

Upgrading the Stereo System in Your 2009-2014 Ford F-150 ...
And if you want to replace the stereo, the dash designs of some vehicles make it difficult – or impossible – to do. And sometimes, especially in newer cars, like the 2013 Ford Focus shown above, the factory stereo is actually pretty cool. But there's still plenty of room for improved sound. Custom sound system upgrades to the rescue
