Friendships are tested when Alicia, a seventh grader at Octavian Country Day School, decides to break away from the exclusive clique led by her best friend to start her own group.

Alicia and Olivia are on their way to Manhattan so the Teen People editors can do a story on them about winning the Octavian Country Day uniform design contest. When Massie finally processes that the girls who hijacked her victory are also modeling for Teen People, she is livid. It should have been her.

Just weeks before Christmas and the girls are busy at the Body Alive Dance Studio. As Alicia and her exhausted dance friends change out of their Nuala gear (not just for yoga anymore), they discuss their plans for the weekend. Alicia is hands down the most popular girl in the class, not only because she's the best dancer, but because Massie isn't there. Massie hates to dance, so for three hours a week on Tuesday and Thursday, Alicia is the alpha female. And she absolutely loves it. Is the Clique about to be turned upside down?

Weeks before Christmas. Alicia and Olivia are on their way to Manhattan so the Teen People editors can do a story on them about winning the Octavian Country Day uniform design contest. When Massie finally processes that the girls who hijacked her victory are also modeling for Teen People, she is livid. It should have been her. 'Ehmagod, what will everyone think when they find out it wasn't me who was asked to model? I will be SO over.' Massie decides it's time to get revenge. This snake can not lay idle in the weeds for one more second. Kristen and Dylan throw out terrible 'revenge' suggestions and Massie vetoes them all. She will think of something! But first she has to go home and exfoliate. The social minefields of Westchester County's most privileged middle school girls drive the page-turning action of this addictive series, set in New York City's most elite suburban county. The Clique . . . the only thing harder than getting in is staying in.

Unfortunately for her, while they look for a new home, Claire's family is staying in the guesthouse of the one and only Massie Block -- Queen Bee of Octavian Country Day School. Claire's future looks worse than a bad Prada knockoff. But with a little luck and a lot of scheming, Claire might just come up smelling like Chanel No. 19. brunette bob and laser-whitened smile, Massie is the uncontested ruler of The Clique and the rest of the social scene at Octavian Country Day School, an exclusive private girls' school in Westchester County, New York. Massie knows you'd give anything to be just like her. Dylan Marvil - Massie's second in command who divides her time between sucking up to Massie and sucking down Atkins Diet shakes. Alicia Rivera - As sneaky as she is beautiful, Alicia floats easily under adult radar because she seems so "sweet." Would love to take Massie's throne one day. Just might. Kristen Gregory - She's smart, hardworking, and will insult you to tears faster than you can say "my haircut isn't ugly!"

The Clique of Westchester County declares Massie a hero for hosting the first boy/girl Halloween party of eighth grade. But her parents insist that she invite the entire class. Unfortunately for Massie, that means "everyone."

Takes a look back to one particular New Year's Eve party to reveal the origin of the relationship between best friends Massie, Alicia, Dylan, Kristen, and Claire and the formation of the Pretty Committee.

The holidays are over and Massie's room is chock-full of new things from Santa: jeans, sweater, and a new . . . roommate? Once Claire unpacks, Massie's room feels more crowded than a Zac Posen sample sale. But what's worse, Claire isn't the only person moving into Massie's territory -- Alicia's hot cousin, Nina, shows up from Spain and starts edging in on all the Briarwood boys, including Massie's crush! Will Nina, with her super-tight mall clothes, make every boy in Westchester fall in love with her? Or will Massie toss her out faster than last season's Sevens jeans? The social minefields of Westchester County's most privileged middle school girls drive the page-turning action of this addictive series, set in New York City's most elite suburban county. The Clique . . . the only thing harder than getting in is staying in.

While on a seventh-grade school trip, Claire attempts to mend her relationship with Cam while Massie seeks to maintain her high social standing and receive her first kiss. Original.
