RULES AND MODES

This book provides

children with

several modes to

play. The modes

are described

Online Library Riddles For

below: 1. Play vs.

Time: This mode allows parents to choose a specific time period and ask the children to solve riddles in that time. This way, children can even try to break their own records by striving to solve as many riddles as they can in a

Online Library

Riddles For

particular time. To

keep the kids
motivated and
interested, we

should not choose
very long periods

of time. One
hundred twenty

seconds seem to
be the best time to
keep things

entertaining. 2.

Play as long as the
player doesn't fail

Online Library

Riddles For

an answer: This mode can keep the kids engaged, and their self-

confidence can increase by every riddle they solve.

We can even choose what kind of riddles to play for this mode from easy to hard. 3.

Play a set of 10 questions/riddles

Online Library

Riddles For

and then compare

the scores: This

mode can keep all

of our children

involved at the

same time. We can

set them up

individually in a

competition or

even as teams.

Being in a

competition can

motivate them to

do better. This

Online Library

Riddles For

Kids Book Of

children learn

teamwork and

bonds, not just

between siblings

but also the family

can become

stronger. In the

end, we can

compare who got

the highest points

and maybe even

decide prizes for

making this activity

Online Library Riddles For

more interactive. 4.

Just play having fun: This mode frees us of any rules. We can play any way we want. The aim is just to have fun. We can mix up the easy to hard riddles and just enjoy solving them without any competition or setting time limits.
