Personalize it to suit your goals, needs and wants.

Read Book Sample Master Slave Contract

Suitable for a total power exchange or those who want limits as well. Written by a lawyer, this contract is ideal for giving moral binding authority to your arrangement. It's the closest you'll get to a legally binding document. Please note: although this Contract is drafted to sound like a legal document, contracts for BDSM relationships or activities are not legally binding, not even if written specifically for you by your attorney.

Have you ever wanted to dominate or serve your lover? Whether you're just after something naughty to spice up your love life, or you are entering a devoted BDSM relationship and you'd like to formalise it with a contract, this adaptable deed is for you. Boost your intimacy and sexual repertoire. Use this legal style document to help you negotiate and define your kinky arrangement. This practical guide is ideal for establishing a power exchange experience. Use it to discuss your deepest desires and to keep your love life fresh. It's the perfect way to record your goals, desires and boundaries. Adds a new dynamic to your relationship. This deed covers all the essentials of a power exchange. Suitable for all levels of BDSM (from training to a total power exchange) including Master/slave, Mistress/slave or Dominant/submissive dynamics. Helps you bring up the topic. Some never get the chance to express their desires. This could be from fear of being judged (even by your own partner) or perhaps not knowing how to approach the topic. Filling out a kinky Contract is a light-hearted way to introduce a saucy conversation. Entices you to explore. Going over this document together can be fun and exciting (a real eye opener). The Activity Questionnaire guides you to create, talk about and plan your kinky scenes. Keeps communication open. A main reason any relationship fizzles is lack of communication. A written agreement encourages you to negotiate and communicate with each other. Revise it regularly to stay on track and to keep things fresh. Helps you stick to the arrangement. Having your rules set out in writing makes your roles seem more official. Suitable for: Married couples, partners & lovers looking to explore a kinky lifestyle; and BDSM couples (D/s, M/s) wishing to define the relationship. It's fun and easy to start. Please note: the Dominant/submissive Contract is for entertainment purposes only. It is NOT legally binding

Scroll up and BUY NOW :)

When a man or a woman decides to enter a relationship in which he or she surrenders his or her will to another person, there is automatically the potential for exploitation and even abuse. This can actually go both ways. A major way of preventing one side from taking unfair and even dangerous advantage of the other side is to establish not just rules but also an elaborate code of behavior or protocol that specifies the exact rights of each party. This is formally done with a master-slave contract. It may seem strange that a slave has rights, but this is a voluntary enslavement, which means this person continues to be safeguarded by the Thirteenth Amendment to the US Constitution (1865), which abolished involuntary servitude.

A companion book to 'Protocols' this book covers the more general topic of Master/Slave relations - how they often evolve and how to avoid the problems that can easily crop up in the early stages. The book also reviews ways that Master/ Slave relationships differ from Dominant/ Submissive or Top/Bottom relationships, discusses contracts and collars and considers various ways of finding a slave and starting a relationship.

Read Book Sample Master Slave Contract

Carole Pateman is one of the foremost political theorists writing in English today. In this outstanding new work, she presents a major reinterpretation of modern political theory. She shows how standard discussions of social contract theory tell only half the story. The sexual contract which establishes modern patriarchy and the political right of men over women is never mentioned. In a wide-ranging and scholarly discussion, Pateman examines the significance of the political fictions of the original contract and the slave contract. She also offers a sweeping challenge to conventional understandings - of both left and right - of actual contracts in everyday life: the marriage contract, the employment contract, the prostitution contract and the new surrogacy contract. By bringing a feminist perspective to bear on the contradictions and paradoxes surrounding women and contract and the relation between the sexes, she is able to shed new light on the fundamental problems of freedom and subordination. The Sexual Contract will become a classic text in the politics of gender and will be of major interest to students of social and political theory and philosophy, women's studies, sociology and jurisprudence.
