With 100% new content, the third edition of Oxford's best-selling secondary course offers the tried and trusted Solutions methodology alongside fresh and diverse material that will spark your students' interest and drive them to succeed.Oxford University Press's best-selling course for teenagers is now available in a third edition, providing new and exciting content that is delivered using the successful methodology of the previous editions.The third edition offers a brand new comprehensive listening syllabus as well as word skills lessons, allowing students to master key listening sub skills, expand their vocabulary, and become confident communicators. Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.

This is a five-level general English course for 14-19 year-olds.

The Solutions 2nd Edition Workbook supports the Student's Book content with plenty of extra practice and revision.

Lesson-per-page structure which is easy to use and saves valuable preparation time Teen-interest topics and personalized activities appeal to young learners Every lesson has an outcome: 'I CAN' statements at the top of each page build confidence by showing students what they will progressively achieve Speaking is integrated into all lessons to give students constant opportunities to speak Students get masses of practice from the Student's Book, Workbook, MultiROM, photocopiables, and the Student's website Build your students' confidence and improve their exam grades through an exam page at the end of every unit, and an interactive practice test on oxfordenglishtesting.com

A new, refreshed edition of the five-level English course for teenagers, with a clear structure, supported approach to speaking, practice, and exam preparation still at its heart.Solutions has been thoroughly modernized with 80% new content to draw in students, embed the grammar and vocabulary presented, and engage them in the tasks. Its guided approach builds up every student's confidence, through step-by-step objectives, lots of practice, meaningful personalizationactivities, and exam preparation tasks.The course now embraces a wide range of teaching methods, furnishing the teacher with a flexible pick-and-choose package for use in the classroom, at home, and on the move. The digital elements of the course enliven the material and allow teachers to vary the pace and focus of their lessons.Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.The Solutions 2nd Edition Workbook supports the Student's Book content with plenty of extra practice and revision.

Nine units per student book, each with eight lessons A broad range of lesson types focusing on key skills, including vocabulary, grammar, reading, speaking, and writing, all with 100% new content NEW listening and word skills lessons help develop confident communicators Exam skills trainer sections prepare students for typical school-leaving/Cambridge tasks, and provide them with the language, strategies, and exam skills they need to achieve success Extra speakingtask sections provide additional opportunities for speaking practice Grammar builder pages with each unit provide extra practice exercises for students who need additional support Grammar reference pages allow learners to check grammar rules Vocabulary builder with each unit allows students to learnand practice new vocabulary Culture Bank includes 9 ready-to-use culture lessons linked to the topic and language of the main units, providing extra reading and listening practice

The Workbook offers plenty of extra practice, revision, and reviews. Mirroring the Student's Book content, with the same clear structure, it provides extra reading and writing practice opportunities for both weaker and stronger students. The Writing Bank at the back of the book gives a quick guide to text types, with model structures and key language as well as exam strategies, plus a Functions Bank for functional phrases for speaking and writing. There is plenty of exam practice in the Get Ready for your Exam sections and these, along with the Self-Check pages after each unit and the review sections at the back of the books, allow students and their teachers to keep track of their progress as they work towards their exams.The accompanying Audio CD offers students a huge amount of listening practice. There are audio recordings for tasks in every lesson (not only for the Vocabulary & Listening lessons).

insight will challenge, develop and inspire your students.It will motivate and engage them with thought provoking topics and information rich texts which will challenge their opinions and inspire them to think critically about the world they live in.It will prepare them for a life of learning with a clear focus on developing their skills and autonomous learning habits.It will give your students a deeper awareness of how language works, furnishing them with not just the meaning of vocabulary but also the rules that govern its use, allowing your students to use it with confidence.
