"Growing Moral engages its readers to reflect on and to practice the teachings of Confucianism in the contemporary world. It draws on the whole history of Confucianism, focusing on three thinkers from the classical era (Kongzi or Confucius, Mengzi, and Xunzi) and two from the Neo-Confucian era (Zhu Xi and Wang Yangming. In addition to laying out the fundamental teachings of Confucianism, it highlights the enduring and strikingly relevant lessons that Confucianism offers contemporary readers. At its core, this book builds a case for modern Confucianism as a practical way to grow toward more harmonious lives together through reflection, ritual, and compassion; it can help us find balance and joy within our complex and too-often frenetic modern lives. Individual chapter explain how and why to be filial, follow rituals, and cultivate our sprouts of morality; as well as exploring Confucian approaches to reading, music-making, reflection, and socio-political engagement. Overall, the book presents a progressive vision of Confucianism that addresses historical shortcomings within the tradition concerning gender and other forms of hierarchy"--
