Georgina Kincaid - Wikipedia

Succubus Heat was a very exciting, mysterious and adventurous edition to the series. Love Georgina's loyalty to her inner circle and wish they would take her more seriously and also stop accusing her of doing bad things. (Okay, fine their all evil so it's expected). Wonderful and real series, even if it's of a paranormal nature.

In this urban fantasy by a #1 New York Times–bestselling author, a powerless succubus must save the supernatural community of Seattle. Georgina Kincaid has been a bad, bad succubus—which should be a good thing. But lately, thanks to her foul mood over breaking up with bestselling writer Seth Mortensen, she’s been so wicked that Seattle’s über-demon Jerome, decides to “outsource” Georgina to a rival—and have her spy for him in the process. Being exiled to the frozen north—okay, Vancouver—and leaving Seth in the cozy clutches of his new girlfriend is unpleasant enough. Then Jerome is kidnapped, and all immortals under his control mysteriously

lose their powers. One bright spot: with her life-sucking ability gone, there's nothing to keep Georgina from getting down and dirty with Seth—nothing apart from his girlfriend that is. Now, as the supernatural population starts turning on itself, a newly mortal Georgina must rescue her boss and figure out who's been playing them—or all hell will break loose... A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 *New York Times*–bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one-and fast, because

Shape-shifting succubus Georgina Kincaid, who gets her energy from seducing men, is frustrated by her non-sexual relationship with best-selling author Seth Mortensen and her attraction to Dante, a dream interpreter, while dealing with a mysterious force that is draining her energy. Original.

Being a succubus sounds pretty glamorous. Shape-shifting, killer wardrobe, what's not to like? But Georgina Kincaid's life gets complicated when an unknown entity "helpfully" begins killing her immortal adversaries.

In this urban fantasy, a malevolent force seeks to destroy a succubus as she struggles to be a bridesmaid in her ex's wedding. Georgina Kincaid has formidable powers. Immortality, seduction, shapeshifting into any human form she desires, walking in heels that would cripple mere mortals—all child's play to a succubus like her... Helping to plan her ex-boyfriend's wedding is a different story. Georgina isn't sure which is worse—that Seth is marrying another woman, or that Georgina has to run all over Seattle trying on bridesmaid dresses. Still, there are distractions. Georgina's roommate, Roman, is cluttering her apartment with sexual tension. Then there's Simone, the new succubus in town, who's intent on corrupting Seth. But the real danger lies in the mysterious force that's visiting her thoughts, trying to draw her into a dark, otherworldly realm. Sooner or later, Georgina knows she'll be too weak to resist. And when that happens, she'll discover who she can trust, who she

A spirit hunter is the target of deadly danger and Otherworldly lust in a paranormal thriller by the New York Times bestselling author of *Vampire Academy*. Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Call her a mercenary if you want, but it's just business to her. Until now. Hired to find a teenager who's been taken to the Otherworld, Eugenie encounters a startling prophecy—one that uncovers dark secrets about her past and claims that her first-born will threaten the future of the world. Now Eugenie is a hot target for every ambitious demon in the Otherworld, and the ones who don't want to knock her up want her dead. Eugenie handles a Glock as smoothly as she wields a wand, but she needs some formidable allies for a job like this. She finds them in Dorian, a seductive fairy king with a taste for bondage, and Kiyoko, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within Eugenie herself. "Storm Born is my kind of book -- great characters, dark worlds, and just the right touch of humor. A great read."
