Hey First off sorry for posting a boring service manual request. I've just bought another bike after a 7 year break in riding - just a little GSF250 but that should be enough for now. I've spent the entire evening trying to find a service manual but can't get one anywhere. Have got an owner's manual downloaded but i know most of what's in there already so not much use, it's the service one i'm ...
