faith, but fear that today's increasingly skeptical and hostile world will eventually lead their kids to reject the truth of Christianity. That leaves many parents feeling overwhelmed--uncertain of what they can do to help their children, given the difficulty and extent of the faith challenges they will face. This practical and timely resource gives parents the confidence of knowing what to discuss with their children and how to discuss it in order to facilitate impactful conversations that will form the basis of a lifelong faith. In a friendly, parent-to-parent voice, Natasha Crain identifies 30 specific conversations about God that parents must have with their children, organizing them under the categories of - the existence of God - science and God - the nature of

and why we have conversations with the Bible in our communities of faith. There is no one way to talk with the Bible and no one way the Bible talks to us. Rather, there are a number of differing, sometimes contradictory ways in which we understand the Bible in conversation and as a dialogue partner. Through studying scripture, together and alone, we can become more sensitive and adept at listening to and understanding one another. The accompanying study guide contains a series of texts and questions intended to provoke thought and discussion about talking with the Bible.
