In great condition! Bought for my 1 year old daughter as her old that's not my kitty book had started to fall apart! She was upset when I had recycled her old one and missed her book so to see how much she loves her new ones makes it all worthwhile! She loves the touchy bits I'm sure we will be reading these for a while!

That's Not My Dinosaur | What's the Story? A touchy-feely first reader, That's Not My Dinosaur is a favourite in this house. Even B, at eleven months old, reads this book independently, turning the pages and feeling the different textures. M is a big fan of dinosaurs at the moment, so she enjoys looking at it, too.
