The Agile Samurai: How Agile Masters Deliver Great ...

The Agile Samurai suggests having a team wall where everyone can see the Inception Deck. In my case that is not practical or useful. We are also in the middle of the year which was planned for a whole year. I am going to suggest we do a mini-planning session and bring as many people as we can do an Inception Deck in the next month or so.

David Tannen - The Inception Deck

The Agile Samurai is an introduction to Agile Development... well... mostly the Agile project management parts of Agile development. It is a good introduction that covers the basics in an easy to follow way and it is even at times... funny... though less times than it attempts to be :P
