He writes, "The Children's Story came into being that day. It was then that I really realized how vulnerable my child's mind was —any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What's the use of 'I pledge allegiance' without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? Arriving at his destination, the boy is immediately accosted by a bright-eyed old man with a mysterious message: "The wolves are running." Soon danger is everywhere, as a gang of criminals headed by the notorious wizard Abner Brown and his witch wife Sylvia Daisy Pouncer gets to work. What does Abner Brown want? The magic box that the old man has entrusted to Kay, which allows him to travel freely not only in space but in time, too. The gang will stop at nothing to carry out their plan, even kidnapping Kay's friend, the tough little Maria Jones, and threatening to cancel Christmas celebrations altogether. But with the help of his allies, including an intrepid mouse, a squadron of Roman soldiers, the legendary Herne the Hunter, and the inventor of the Box of Delights himself, Kay just may be able rescue his friend, foil Abner Brown's plot, and save Christmas, too. At once a thriller, a romp, and a spellbinding fantasy, The Box of Delights is a great English children's book and a perfect Christmas treat.
