Halldór Laxness is undoubtedly Iceland's most famous writer. The story goes that he was in the middle of writing "Brekkukotsannall" - translated (surprisingly) as The Fish Can Sing - when he was awarded the Nobel Prize for literature (in 1955). Did this recognition

Sometimes grim, sometimes uproarious, and always captivating, Iceland's Bell by Nobel Laureate Halldór Laxness is at once an updating of the traditional Icelandic saga and a caustic social satire. At the

close of the 17th century, Iceland is an oppressed Danish colony, suffering under extreme poverty, famine, and plague. A farmer and accused cord-thief named Jon Hreggvidsson makes a bawdy joke about the Danish king and soon after finds himself a fugitive charged with the murder of the king's hangman. In the years that

follow, the hapless but resilient rogue Hreggvidsson becomes a pawn entangled in political and personal conflicts playing out on a far grander scale. Chief among these is the star-crossed love affair between Snaefridur, known as “Iceland’s Sun,” a beautiful, headstrong young noblewoman, and Arnas Arnaeus, the

king's antiquarian, an aristocrat whose worldly manner conceals a fierce devotion to his downtrodden countrymen. As their personal struggle plays itself out on an international stage, Iceland's Bell creates a Dickensian canvas of heroism and venality, violence and tragedy, charged with narrative enchantment on every page.

Nobel laureate Halldór Laxness's *Under the Glacier* is a one-of-a-kind masterpiece, a wryly provocative novel at once earthy and otherworldly. At its outset, the Bishop of Iceland dispatches a young emissary to investigate certain charges against the pastor at Snæfells Glacier, who, among

other things, appears to have given up burying the dead. But once he arrives, the emissary finds that this dereliction counts only as a mild eccentricity in a community that regards itself as the center of the world and where Creation itself is a work in progress. What is the emissary to make, for example, of the boarded-up church?

Or that his wife, Ua (pronounced “ooh-a,” which is what men invariably sputter upon seeing her), is rumored never to have bathed, eaten, or slept? Piling improbability on top of

As an unloved foster child on a farm in rural Iceland, Olaf Karason has only one consolation: the belief that one day he will

be a great poet. The indifference and contempt of most of the people around him only reinforces his sense of destiny, for in Iceland poets are as likely to be scorned as they are to be revered. Over the ensuing years, Olaf comes to lead the paradigmatic poet's life of poverty, loneliness, ruinous love affairs and sexual

scandal. But he will never attain anything like greatness. As imagined by Nobel Prize winner Halldor Laxness in this magnificently humane novel, what might be cruel farce achieves pathos and genuine exaltation. For as Olaf's ambition drives him onward—and into the orbits of an unstable spiritualist, a shady entrepreneur,

and several susceptible women—World Light demonstrates how the creative spirit can survive in even the most crushing environment and even the most unpromising human vessel.

For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina

Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time

comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible

Their mutual love of music draws

But their three children must survive America's brutal here and now. Jonah, Joseph, and Ruth grow up during the Civil Rights era, come of age in the violent 1960s, and live out

Ruth, the youngest, chooses a militant activism and repudiates the white culture her brother represents. Joseph, the middle child and the narrator of this
