Goodnight, Forest! Say "sleep tight" to all the forest animals like bears, bunnies, squirrels and more in this sweet bedtime book for little ones.

To say that Foxly is hungry would be an understatement—he can't stop thinking about food! He's completely ravenous. So Foxly sets out to find something delicious and filling. First, he discovers a deserted bag of groceries. But will it be enough to fill this fox? It looks like he has something bigger in mind. Foxly approaches a group of roosters and hens, but he still does not chow down. Just what could this crafty fox be up to? Foxly is dreaming of a bigger and better feast, but who will be invited to join him—not as his supper but as his picnic guest? Foxly's Feast is a warm, wordless picture book about the delights of healthy eating and friends. Owen Davey's autumnal palate and expressive illustrations provide opportunities for even the tiniest readers to imagine what Foxly will do (or eat) next. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
