Captivated, Steven is determined to possess her totally at whatever cost, little knowing how dear that cost might be.Set within the universe of modern Los Angeles, these three people and the colorful characters in their orbits act out a dramatic tale of erotic power at once familiar and exotic. In the trend of S/M and fetishism in art that Doris Kloster helped popularize with her first self-titled book, Kloster remains the only prominent female photographer to do significant work. Now, with her new book Forms of Desire, Kloster transcends that genre and utilizes her unique position to examine a broader range of erotic expression, pointedly exploring female sexuality in all of its various guises. With this collection of nudes and portraits, all shot on location, Kloster invites the viewer to experience the rich and varied sexuality of a multi-racial group of strong, adventurous women. The result is nothing less than a compendium of female sexual expression, exploring different facets of women's sexual natures - from fetishism and role-playing to the use of toys and gender-bending. As co-founder and editorial director of FAD magazine, Kloster has been walking the cultural edge for over ten years, photographing sex radicals and capturing women's sexual power with her lens. Forms of Desire is her most accomplished work to date; her strongest statement on sexuality, power, and gender.

The precursor to Fifty Shades of Grey, Pauline Réage's Story of O continues, as a woman returns to the place of her deepest, most intimate erotic initiation. She gave up everything to surrender to the forces of sensual love. Beautiful "O" is a Parisian photographer who makes a bold choice to follow her most forbidden desires. Her story takes her to the deepest, most dangerous places of domination, where the pleasures of the flesh meet the needs of the heart. O's journey sweeps her from the compelling embrace of René, where she gained understanding of true physical surrender, to the mysterious Sir Stephen and his chateau, where women learn to master the sensual arts. In this private club, O is challenged to release everything but her desire to be a willing vessel of pleasure—and forced to confront who she is and what she truly wants. As jealousy, sadistic games, and uncertainty make her question the lines she has crossed for love, she can only wonder: How far and how deep will she go? And where will it stop?
