They learn crafts to calm a busy mind, discover Buddhist meditation and explore the outdoors mindfully. It also features a strong environmental awareness, with activities encouraging sustainability and recycling!

Some would say that the most beautiful things are those found in the wild. This stimulating volume teaches young artists to capture that kind of beauty through one-of-a-kind art. Readers learn to use simple lines, dots, and shapes to create intricate Zentangle designs. Through concise step-by-step instructions, it becomes clear that these stunning and detailed designs aren't difficult to draw. Readers who lack confidence in their artistic abilities will be thrilled with the incredible masterpieces they make with the help of this guide.

Nature Explorer is a compilation of our best titles from the very successful Nature Activities series. Readers learn about rocks and minerals, birds, insects, weather, and more, with DK's spectacular photography and imagery serving as an informative backdrop. In addition, readers are encouraged to observe, take notes, and do their own experiments in the park, their backyards, even their own kitchens! Easy-to-do activities help teach kids about the world around them. They can observe and track how often parent birds feed their hatchlings, or create a miniature desert and watch the plants thrive, or create a moth trap and get a close-up look at the nighttime insects. This is a unique opportunity for kids to become experts and study the natural world!

This is an exciting new look at the fascinating world of many common trees. The book is arranged alphabetically and includes lively species descriptions as well as information about all the animals and plants associated with the trees. Arresting and immersive spreads also help to transport you into the magical world of the forest. This series builds into a first nature library that will be treasured by children for years to come.
